III. Enrollment of Homeless Children and Youth:

A. Enrollment of homeless children and youth may not be denied or delayed due to the lack of any document normally required for enrollment. However, administrators shall require the parent/guardian or unaccompanied youth to provide contact information prior to enrollment.

B. To facilitate enrollment, administrators:

1. In making such a determination, the District is required to keep a homeless child or youth in the child's or youth's school of origin for the duration of homelessness when a homeless child or youth becomes homeless between academic years or during an academic year; or for the remainder of the academic year if the homeless child or youth becomes permanently housed during an academic year, to the extent feasible, unless it is against the wishes of the parent or guardian or unaccompanied youth. Otherwise, the homeless child or youth shall be enrolled in a public school that non-homeless students who live in the area where the homeless child or youth is actually living are eligible to attend.
1. The District must presume that keeping the homeless child or youth in the school of origin is in the child's or youth's best interest unless doing so is contrary to the request of the child's or youth's parent or guardian, or in the case of an unaccompanied youth, the unaccompanied youth. In considering the child's or youth's best interest, the District must consider student-centered factors related to the child's or youth's best interest, giving priority to the request of the parent or guardian or unaccompanied youth.

B. Procedures for Review of School Selection Recommendation:

1. The Principal or designee of the school in which enrollment is sought shall review an enrollment request in accordance with the standards discussed above and shall make an initial recommendation regarding same. If the Principal's or designee's recommendation is to select a placement other than the school desired by the parent(s) or guardian(s) of the homeless child or youth or the unaccompanied youth, then the Principal or designee shall refer the matter to the

Superintendent or designee for review of the recommendation and the reasons therefor, and shall notify the District's Homeless Liaison of same.

1. The Superintendent or designee shall review the matter and consult with the District's Homeless Liaison concerning same. If the Superintendent or designee agrees with the recommendation of the Principal or designee, and a dispute remains between the District and the parent(s) or guardian(s) of a homeless child or youth or an unaccompanied youth about a school selection and/or enrollment decision; the Superintendent or designee shall provide the parent(s) or guardian(s) of a homeless child or youth or an unaccompanied youth with a written explanation of the District's decision regarding this matter, and the right to appeal such decision to the Board.

C. Dispute Resolution Process:

1. The District's Homeless Liaison shall be responsible for promoting objective and expeditious dispute resolutions, and adherence to these administrative regulations.
2. If the parent(s) or guardian(s) of a homeless child or youth or an unaccompanied youth disputes the school placement decision or enrollment, the District must immediately enroll the homeless child or youth in the school in which enrollment is sought, pending resolution of the dispute. The homeless child or youth shall also have the right to all appropriate educational services, including transportation to and from the school in which enrollment is sought, while the dispute is pending.
3. If necessary, the District's Homeless Liaison shall assist parent(s) or guardian(s) of a homeless child or youth or an unaccompanied youth with completion of the necessary appeal paperwork required to file for an appeal to the Board, and provide the parent(s) or guardian(s) of a homeless child or youth or an unaccompanied youth with a copy of Connecticut General Statutes Section 10-186(b).
4. Not later than ten (10) days after receipt of an appeal to the Board by a parent(s) or guardian(s) of a homeless child or youth or an unaccompanied youth, the District shall hold a hearing before the Board concerning such appeal, and such hearing shall be conducted in accordance with Connecticut General Statutes Section 10-186(b).
5. If the Board finds in favor of the Superintendent or designee, a parent or guardian of a homeless child or youth or unaccompanied youth may appeal the Board's decision to the State Board of Education within twenty (20) days of receipt of the Board's written decision, in accordance with Connecticut General Statutes Section 10-186(b). If necessary, the District's Homeless Liaison shall assist a parent or guardian of a homeless child or youth or unaccompanied youth with filing the necessary appeal paperwork to the State Board of Education. The homeless child or youth or unaccompanied youth shall remain in the child's or youth's school of origin

pending resolution of the dispute, including all available appeals.

V. Services:

A. Homeless children and youth shall be provided with services comparable to those offered other students in the selected school including:

1. Title I services or similar state or local programs, educational programs for students with disabilities, and preschool programs.
2. Language assistance services for students who have limited English proficiency to enable students who are English learners/multilingual learners to meaningfully participate in the educational programs.
3. Transportation services.
4. Vocational and technical education.
5. Programs for gifted and talented students.
6. School nutrition programs.
7. Before and after school programs.

B. The District shall coordinate with local social service agencies, other service providers, housing assistance providers and other school districts to ensure that homeless children and youth have access and reasonable proximity to available education and support services.

VI. Transportation:

A. The District shall provide transportation comparable to that available to other students.

B. Transportation shall be provided, at a parent or guardian or unaccompanied youth's request, to and from the school of origin for a homeless child or youth. Transportation shall be provided for the entire time the child or youth is homeless and until the end of any academic year in which they move into permanent housing. Transportation to the school of origin shall also be provided during pending disputes. The District's Homeless Liaison shall request transportation to and from the school of origin for an unaccompanied youth. Parents and unaccompanied youth shall be informed of this right to transportation before they select a school for attendance.

C. To comply with these requirements:

1. Parents/guardians, schools, and the District's Homeless Liaison shall use the district transportation form to process transportation requests.
2. If the homeless child or youth is living and attending school in this District, the District shall arrange transportation.

3. If the homeless child or youth is living in this District but attending school in another, or attending school in this District and living in another, the District will follow the inter-district transportation agreement to determine the responsibility and costs for such transportation. If there is no inter-district transportation agreement, the District shall confer with the other school district's Homeless Liaison to determine an apportionment of the responsibility and costs.

4. If no mutually agreeable arrangement can be reached, then the District shall:

1. arrange transportation immediately;
2. bring the matter to the attention of the State Coordinator for the Education of Homeless Children and Youth; and
3. ensure that such disputes do not interfere with the homeless child or youth attending school.

VII. Records:

An unaccompanied youth, as defined in section I.D, above, is entitled to knowledge of and access to all educational, medical, or similar records in the cumulative record of such unaccompanied youth maintained by this District.

DISPUTE RESOLUTION PROCESS UNDER CT GENERAL STATUTES
SECTION 10-186

5055-APPENDIX A.

MERIDEN PUBLIC SCHOOLS

Dispute Resolution Process

Under Connecticut General Statutes Section 10-186

(1) If any board of education denies such accommodations, the parent or guardian of any child who is denied schooling, or an emancipated minor or a pupil eighteen years of age or older who is denied schooling, or an agent or officer charged with the enforcement of the laws concerning attendance at school, may, in writing request a hearing by the board of education. The board of education may

- conduct the hearing,
- designate a subcommittee of the board composed of three board members to conduct the hearing, or
- establish a local impartial hearing board of one or more persons not members of the board of education to conduct the hearing.

The board, subcommittee or local impartial hearing board shall give such person a hearing within ten days after receipt of the written request, make a stenographic record or tape recording of the hearing and make a finding within ten days after the hearing. Hearings shall be conducted in accordance with the provisions of sections 4-176e to 4-180a, inclusive, and section 4-181a. Any child, emancipated minor eighteen years or older who is denied accommodations on the basis of residency may continue in attendance in the school district at the request of the parent or guardian of such child or emancipated minor or pupil eighteen years of age or older, pending a hearing pursuant to this subdivision. The party claiming ineligibility for school accommodations shall have the burden of proving such ineligibility by a preponderance of the evidence, except in cases of denial of schooling based on residency, the party denied schooling shall have the burden of proving residency by a preponderance of the evidence.

(2) Any such parent, guardian, emancipated minor, pupil eighteen years of age or older, or agent or officer, aggrieved by the finding shall, upon request, be provided with a transcript of the hearing within thirty days after such request and may take an appeal from the finding to the State Board of Education. A copy of each notice of appeal shall be filed simultaneously with the local or regional board of education and the State Board of Education. Any child, emancipated minor or pupil eighteen years of age or older who is denied accommodations by a board of education as the result of a determination by such board, or a subcommittee of the board or local impartial hearing board, that the child is not a resident of the school district and therefore is not entitled to school accommodations in the district may continue in attendance in the school district at the

request of the parent or guardian of such child or such minor or pupil, pending a determination of such appeal. If an appeal is not taken to the State Board of Education within twenty days of the mailing of the finding to the aggrieved party, the decision of the board, subcommittee or local impartial hearing board shall be final. The local or regional board of education shall, within ten days after receipt of notice of an appeal, forward the record of the hearing to the State Board of Education. The State Board of Education shall, on receipt of a written request for a hearing made in accordance with the provisions of this subsection, establish an impartial hearing board of one or more persons to hold a public hearing in the local or regional school district in which the cause of the complaint arises. Members of the hearing board may be employees of the state Department of Education or may be qualified persons from outside the department. No member of the board of education under review nor any employee of such board of education shall be a member of the hearing board. Members of the hearing board, other than those employed by the state of Connecticut, shall be paid reasonable fees and expenses as established by the State Board of Education within the limits of available appropriations. Such hearing board may examine witnesses and shall maintain a verbatim record of all formal sessions of the hearing. Either party to the hearing may request that the hearing board join all interested parties to the hearing, or the hearing board may join any interested party on its own motion. The hearing board shall have no authority to make a determination of the rights and responsibilities of a board of education if such board is not a party to the hearing. The hearing board may render a determination of actual residence of any child, emancipated minor or pupil eighteen years of age or older where residency is at issue.

(3) The hearing board shall render its decision within forty-five days after receipt of the notice of appeal except that an extension may be granted by the Commissioner of Education upon an application by a party or the hearing board describing circumstances related to the hearing which require an extension.

(4) If, after the hearing, the hearing board finds that any child is illegally or unreasonably denied schooling, the hearing board shall order the board of education under whose jurisdiction it has been found such child should be attending school to make arrangements to enable the child to attend public school. Except in the case of a residency determination, the finding of the local or regional board of education, subcommittee of such board or a local impartial hearing board shall be upheld unless it is determined by the hearing board that the finding was arbitrary, capricious or unreasonable. If such school officers fail to take action upon such order in any case in which such child is currently denied schooling and no suitable provision is made for such child within fifteen days after receipt of the order and in all other cases, within thirty days after receipt of the order, there shall be a forfeiture of the money appropriated by the state for the support of schools amounting to fifty dollars for each child for each day such child is denied schooling. If the hearing board makes a determination that the child was not a resident of the school district and therefore not entitled to school accommodations from such district, the board of education may assess tuition against the parent or guardian of the child or the emancipated minor or pupil eighteen years

of age or older based on the following: One one-hundred-eightieth of the town's net current local educational expenditure, as defined in section 10-261, per pupil multiplied by the number of days of school attendance of the child in the district while not entitled to school accommodations provided by that district. The local board of education may seek to recover the amount of the assessment through available civil remedies.
