PURPOSE

The purpose of this policy is to establish a workplace that is free of the effects of alcohol and second-hand smoke, and free from drug abuse. By accomplishing this purpose, the Board of Education (the “Board”) also seeks to promote a safe, healthy working environment for all employees and to reduce absenteeism, tardiness, and other job performance problems that may be caused by alcohol and/or drug abuse. This policy is adopted in accordance with state law and the Drug Free Workplace Act.

STATEMENT OF POLICY

Employees shall not be involved with the unlawful manufacture, distribution, possession, or use of an illegal drug, a controlled substance, or alcohol, and shall not be under the influence of such substances while on school property or while conducting Board business on or off school property. Any employee who discovers illegal drugs, a controlled substance, or alcohol on school property shall notify the Superintendent or the Superintendent’s designee who shall investigate the matter.

An employee must report any conviction under a criminal drug statute for violations occurring on or off school property while on Board business to the Superintendent or his/her designee within five (5) days after the conviction. The Board will notify any agency awarding a grant to the Board of such conviction within ten (10) days thereafter.

Employees shall only use prescription drugs on school property, or during the conduct of Board business, that have been prescribed to them by a licensed medical practitioner, and such drugs shall be used only as prescribed. However, in accordance with Conn. Gen. Stat. § 21a-408a through 408q, the Board specifically prohibits the palliative use of marijuana on school property, at a school-sponsored activity, or during the conduct of Board business, and specifically prohibits employees from being under the influence of intoxicating substances, including marijuana used for palliative purposes, during work hours.

The Board prohibits smoking, including smoking using an electronic nicotine delivery system (e.g., e-cigarettes), electronic cannabis delivery system, or vapor product, and the use of tobacco products in any area of a school building, on school property, including property owned, leased, contracted for, or utilized by the Board, or at any school-sponsored activity.

While Connecticut law allows for the legal use of marijuana under certain circumstances, because

marijuana use is still prohibited under federal law, the use of marijuana at work, or outside of work if it impairs an employee's ability to perform their job, constitutes a violation of this policy.

Violations of this policy may result in disciplinary action, up to and including possible termination of employment.
