Intramural Programs

6124.1

The Board believes that athletic programs should provide benefits to as large a number of students as possible. It is, therefore, the policy of the Board to provide an intramural program as an outgrowth of class instruction in physical education and commensurate with the grade level of the students involved. The program should encourage participation by all, regardless of degree of skill, and should be carried on with the best interests of the participants as the first consideration. Qualified personnel shall supervise intramural sports.
