

Guidelines for Access to Student Directory Information

5125.3.

Access to Student Directory Information

1. "Directory Information" includes the following information relating to a student: the student's name, address, telephone number, date and place of birth, major field of study, participation in officially recognized activities and sports, dates of attendance, honors and awards received, and other similar information.
2. The Board will provide access to student directory information of secondary students to representatives of the armed forces of the United States of America and state armed services, unless the secondary student or the parent of the student objects to such disclosure in writing.

Approved 4/28/1981

Amended: December 15, 2015
