district, or at a school-sponsored activity, is prohibited, even if the person possessing the deadly weapon or firearm has a permit for such item.

III. Peace Officer Exception

A peace officer engaged in the performance of his or her official duties who is in lawful possession of a deadly weapon or firearm may bring such item on the real property of any school or administrative office building in this district, or to a school-sponsored activity.

IV. Other Exceptions

Note: Under state law, in order to prohibit all persons from carrying deadly weapons and/or firearms onto school property (including persons who hold a legal permit to carry such weapons elsewhere), a school district must affirmatively pass a policy prohibiting such items. The policy above accomplishes this goal. Districts may legally prohibit other weapons as well, but issues exist regarding 1) a district's practical ability to enforce such prohibitions and 2) the definitions used to describe other types of weapons. If a district chooses to enact a wider prohibition on weapons, it is well advised to consult legal counsel for assistance in drafting a policy containing a wider prohibition.
