

## **COMMITMENT TO ACCOMPLISHMENT 0230**

The district's program of accountability shall be systematic and specific, primarily utilizing the following major elements:

- ▶ clear statements of expectations and purposes (i.e., philosophy, goals and objectives), coupled with specifications of how their successful achievement will be determined;
- ▶ provisions, resources, and support for the staff necessary to achieve these expectations and purposes;
- ▶ evaluation carefully designed to determine how well expectations and purposes are met;
- ▶ revisions and modifications as needed to improve.

Every effort shall be made by the Board, Superintendent and staff to fulfill the responsibilities required by the concept of accountability.
