

REPORTING ACCOMPLISHMENT TO THE PUBLIC 0230.1

The Board acknowledges its responsibility to lead in the identification and development of broad goals and specific objectives to be accomplished by the school district. To provide the Board with the information necessary to make sound policy and planning decisions as well as keep the public informed about the District's needs and results, the Superintendent shall employ all appropriate means to provide for continuous and candid reports on the progress towards and/or the accomplishments of District personnel in the pursuit of the Board's articulated goals and objectives.
