

Library Collection Development and Maintenance, Library Displays and Programs, and Library Material Review and Reconsideration 6600

The Meriden Board of Education (the “Board”), having consulted with the Superintendent of Schools for the Meriden Public Schools (the “District”), the District’s director of curriculum or a person in an equivalent position, and a librarian employed by the Board, adopts this Policy Regarding Library Collection Development and Maintenance, Library Displays and Programs, and Library Material Review and Reconsideration in accordance with Connecticut law.

It is the policy of the Board to ensure that all District library materials maintained by the District are evaluated and made accessible in accordance with the protections against discrimination set forth in Connecticut law, including, but not limited to, discrimination based on race, color, sex, gender identity, religion, national origin, sexual orientation, or disability.

Any school library media specialist or school library staff member who, in good faith, implements this policy shall be immune from any liability, civil or criminal, that might otherwise be incurred or imposed and shall have the same immunity with respect to any judicial proceeding that results from such implementation.

The Board shall review this policy, and update it as necessary, every five years.

I. Definitions

II. Library Collection Development and Maintenance

The Board recognizes that library and other educational material should be provided for the interest, information, and enlightenment of all students and should represent a wide range of varied and diverging viewpoints in the collection as a whole.

The Board requires that students have access to age-appropriate and grade-level-appropriate material and shall provide access to library and other educational material that is relevant to the research, independent reading interests, and educational needs of students based on a student’s age, development, or grade level. The Board also recognizes the importance of the school library media center as a place for voluntary inquiry, the dissemination of information and ideas, and the promotion of free expression and free access to ideas by students.

The Board acknowledges that a school library media specialist is professionally trained to curate and develop a collection that provides students with access to the widest array of age-appropriate and grade-level-appropriate library and other educational material.

The Board directs the Superintendent to establish a procedure by which a certified school library specialist will continually review library and other educational material within a school library media center using professionally accepted standards, which shall include, but need not be limited to, the material’s relevance, the physical condition of the material, the availability of duplicates or copies of the material, the availability of more recent age-appropriate or grade-level-appropriate material, and continued demand for the material (the “Library Review Procedure”). The Library Review Procedure is attached hereto as Appendix A.

III. Library Displays and Programs

The Board recognizes that displays should be provided for the interest, information and enlightenment of all students; represent a wide range of varied and diverging viewpoints; require student access to age-appropriate and grade-level-appropriate content; and provide access to content that is relevant to the research, independent interests, and educational needs of students.

The Board further recognizes the importance of library displays and student programs as resources for voluntary inquiry and the dissemination of information and ideas and to promote free expression and free access to ideas by students.

The Board acknowledges that a school library media specialist is professionally trained to curate and develop displays and programs that provide students with access to the widest array of age-appropriate and grade-level-appropriate library and other educational material.

IV. Library Material Review and Reconsideration

The purpose of this policy section regarding library material review and reconsideration is to establish a process for individuals with a vested interest to challenge any District library and other educational material, display, or student program, as well as a process for the District to respond to any such challenges and related parameters.

A. Standards for Reviewing Challenges to Library and Other Educational Material, Display, or Student Program

1. All library materials shall be evaluated and made accessible in accordance with the protections against discrimination set forth in Connecticut law, including, but not limited to, discrimination based on race, color, sex, gender identity, religion, national origin, sexual orientation, or disability.
2. Library and other educational material, displays, and student programs shall only be excluded for legitimate pedagogical purposes or for professionally accepted standards of collection maintenance practices, as adopted in this policy and/or any accompanying procedure for the continual review of library and educational material within a school library.
3. No library and other educational material, display, or program shall be removed from library media centers, or programs be cancelled, because of the origin, background or viewpoints expressed in such material, display, or program, or because of the origin, background, or viewpoints of the creator of such material, display, or program.
4. The removal, exclusion, or censoring of any book on the sole basis that a person with a vested interest finds such book offensive is prohibited.
5. Any process for an individual with a vested interest to challenge any library and other educational material, display, or student program shall neither favor nor disfavor any group based on protected characteristics.

B. Process for Challenging Library and Other Educational Material, Display, or Student Program

The Board establishes the following process for individuals with a vested interest to challenge any library and other educational material, display, or student program, as well as a process for the District to respond to any such challenges:

1. An individual with a vested interest may submit a Request for Reconsideration of Library Material Form (the “Request Form”) to the principal of the school in which the library and other educational material, display, or student program is being challenged to initiate a review of such material. The Request Form is attached hereto as Appendix B. Using the Request Form, an individual shall specify which portion or portions of such material the individual objects to and provide an explanation of the reasons for such objection. The individual submitting the Request Form must include the individual’s full legal name, address, and telephone number. If the individual who has submitted a Request Form is a parent or guardian, consideration of requests to reconsider and remove material, displays, or student programs shall be limited to the parents and guardians of students and eligible students currently enrolled in the school or District.
2. Upon receipt, the principal or the principal’s designee shall promptly forward the Request Form to the Superintendent or the Superintendent’s designee.
3. The administration may consolidate any requests for review and reconsideration of the same challenged library and other educational material.
4. For each challenged library and other educational material, the Superintendent, or the Superintendent’s designee, shall appoint a Review Committee consisting of:
 - a. the Superintendent, or the Superintendent’s designee;
 - b. the principal of the school in which the library and other educational material is being challenged, or the principal’s designee;
 - c. the director of curriculum, or a person in an equivalent position, employed by the Board;

- d. a representative from the Board;
- e. at least one grade-level-appropriate teacher familiar with the library material, provided the teacher selected is not the individual who submitted the Request Form;
- f. a parent or guardian of a student age thirteen years or younger enrolled in the District, provided the parent or guardian selected is not the individual who submitted the Request Form;
- g. a parent or guardian of a student age fourteen years or older enrolled in the District, provided the parent or guardian selected is not the individual who submitted the Request Form; and
- h. a certified school librarian employed by the Board or employed by another board of education in the state.

In cases where the request is submitted by a student enrolled in grades nine through twelve, and when appropriate and at the discretion of the Superintendent, a student enrolled in grades nine through twelve may serve on the Review Committee, provided the student selected is not the individual who submitted the Request for Reconsideration and the Superintendent consults with the principal of the school involved in such reconsideration request prior to making the determination whether to include the student on the Review Committee.

- 5. Any library and other educational material being challenged shall remain available in the school library media center according to such material's catalog record and be available for a student to reserve, check out, or access until a final decision is made by the Review Committee.
- 6. The Review Committee must evaluate the Request Form; read the challenged material in its entirety; evaluate the challenged material against this policy; and make a written decision on whether or not to remove the challenged material not later than sixty (60) school days from the date the Request Form was received by the principal or the principal's designee. The Review Committee shall provide a copy of the committee's decision and report to the individual with a vested interest who submitted the Request Form and to the principal of the school.
- 7. The individual with a vested interest who submitted the Request Form may appeal the Review Committee's decision to the Board. The Board shall determine whether the reconsideration process was followed and publish its decision on the Internet website of the District.
- 8. Once a decision has been made by the Review Committee on any library and other educational material, such material cannot be subject to a new request for review and reconsideration for a period of three (3) years.
