In this regard, the Board prohibits discrimination against any person with a disability in any of the services, programs or activities of the District.

Regulations Regarding Employees and Section 504 of the Rehabilitation Act of 1973 and Title II of the Americans with Disabilities Act of 1990 4005 (R)

[The following administrative procedures are not part of the Section 504/ADA policy. However, because school districts are required by law to have procedures related to § 504 complaints, this model is included for your convenience. Reference to ADA is also included in these regulations because there is overlap between § 504 and the ADA.]

Meriden Board of Education Section 504/ADA Grievance/Complaint

Procedures Regarding Discrimination Against Employees

Section 504 of the Rehabilitation Act of 1973 ("Section 504") and Title II of the Americans with Disabilities Act of 1990 ("Title II" or "ADA") (collectively, "Section 504/ADA") prohibit discrimination on the basis of disability. For the purposes of Section 504/ADA, the term "disability" with respect to an individual means: (a) a physical or mental impairment that substantially limits one or more major life activities of such individual; (b) a record of such an impairment; or (c) being regarded as having such an impairment.

I. Definitions

Major life activities: include, but are not limited to, caring for oneself, performing manual tasks, seeing, hearing, eating, sleeping, walking, standing, sitting, reaching, lifting, bending, speaking, breathing, learning, reading, concentrating, thinking, communicating, interacting with others, and working. A major life activity also includes the operation of a major bodily function, such as the functions of the immune system, special sense organs and skin, normal cell growth, and digestive, genitourinary, bowel, bladder, neurological, brain, respiratory, circulatory, cardiovascular, endocrine, hemic, lymphatic, musculoskeletal, and reproductive systems. The operation of a major bodily function includes the operation of an individual organ within a body system.

Mitigating measures: include, but are not limited to, (a) medication, medical supplies, equipment, appliances, low-vision devices (defined as devices that magnify, enhance, or otherwise augment a visual image, but not including ordinary eyeglasses or contact lenses), prosthetics including limbs and devices, hearing aid(s) and cochlear implant(s) or other implantable hearing devices, mobility devices, oxygen therapy equipment and supplies; (b) use of assistive technology; (c) reasonable modifications or auxiliary aids or services; (d) learned behavioral or adaptive neurological modifications; or (e) psychotherapy, behavioral therapy, or physical therapy.

Physical or mental impairment:(a) any physiological disorder or condition, cosmetic disfigurement, or anatomical loss affecting one or more of the following body systems, such as: neurological, musculoskeletal, special sense organs, respiratory (including speech organs), cardiovascular, reproductive, digestive, genitourinary, immune, circulatory, hemic, lymphatic, skin, and endocrine;(b) any mental or psychological disorder, such as intellectual disability, organic brain syndrome, emotional or mental illness, and specific learning disability; or (c) an impairment that is episodic or in remission if it would substantially limit a major life activity when active. Physical or mental impairment includes, but is not limited to, contagious and noncontagious diseases and conditions such as the following: orthopedic, visual, speech, and hearing impairments, and cerebral palsy, epilepsy, muscular dystrophy, multiple sclerosis, cancer, heart disease, diabetes, intellectual disability, emotional illness, dyslexia and other specific learning disabilities, Attention Deficit Hyperactivity Disorder, Human Immunodeficiency Virus infection (whether symptomatic or asymptomatic), tuberculosis, drug addiction, and alcoholism.

II. Procedures for Grievances/Complaints Alleging Discrimination on the Basis of Disability

A. Any eligible person, including any student, parent/guardian, staff member or other employee who feels that he/she has been discriminated against on the basis of disability (including differential treatment, harassment and retaliation) may submit a written complaint to the district's designated Section 504/ADA Coordinator (see contact information below) within thirty (30) school days of the alleged occurrence.

B. Timely reporting of complaints facilitates the prompt investigation and resolution of such complaints. If a complaint is filed relating to alleged discrimination occurring more than thirty (30) school days after the alleged occurrence, the ability of the ____ Public Schools (the "District") to investigate the allegations may be limited by the passage of time. Therefore, complaints received after thirty (30) school days of the alleged occurrence shall be investigated to the extent possible, given the passage of time and the impact on available information,

witnesses and memory. If a complaint is made verbally, the individual taking the complaint will reduce the complaint to writing. Individuals wishing to make a complaint about discrimination against students on the basis of disability should be referred to the district's Section 504/ADA policies and regulations regarding students.

C. Retaliation against any individual who complains pursuant to the Board's policy and regulations listed herein is strictly prohibited. The district will not tolerate any retaliation that occurs as a result of the good faith reporting or complaint of disability-based discrimination or as a result of an individual's participation or cooperating in the investigation of a complaint. The district will take necessary actions to prevent retaliation as a result of filing a complaint **or the participation in an investigation of a complaint**.

[NOTE: Districts should note that Section 504 does not provide a statute of limitations for filing grievances/complaints with the district. We recommend that districts encourage prompt reporting by suggesting that complaints be filed within thirty (30) school days in order to facilitate timely resolution of potential disputes.]

D. If the Section 504/ADA Coordinator is the subject of the complaint, the complaint should be submitted directly to the Superintendent who may conduct the investigation or appoint a designee to conduct the investigation in accordance with these procedures. If the Superintendent is the subject of the complaint, the District shall designate an appropriate party to conduct the investigation in accordance with these procedures.

E. Complaints will be investigated promptly within timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information and other extenuating circumstances. Confidentiality will be maintained by all persons involved in the investigation to the extent possible.

F. The complaint should contain the following information:

1. The name of the complainant;
2. The date of the complaint;
3. The date(s) of the alleged discrimination;
4. The names of any witnesses or individuals relevant to the complaint;
5. A detailed statement describing the circumstances in which the alleged discrimination occurred; and
6. The remedy requested.

However, all complaints will be investigated to the extent possible, even if such information is not included in the complaint. In such circumstances, additional information may be requested by the investigator as part of the investigation process.

G. Upon receipt of the complaint, the individual investigating the complaint shall:

1. Provide a copy of the written complaint to the Superintendent of Schools;
2. Meet separately with the complainant and the respondent within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent believe have relevant information, and obtain any relevant documents the complainant may have;
3. Provide the complainant and respondent with a copy of the applicable Board Section 504/ADA Policy and these administrative regulations;
4. Consider whether and which interim measures might be appropriate for an alleged victim and the respondent pending the outcome of the District's investigation;
5. Conduct an investigation of the factual basis of the complaint that is adequate, reliable, and impartial, including conducting interviews with individuals with information and review of documents relevant to the complaint;
6. Maintain confidentiality to the extent practicable throughout the investigative process in accordance with state and federal law;
7. Communicate the outcome of the investigation in writing to the complainant, and to the respondent (to the extent permitted by state and federal confidentiality requirements), within fifteen (15) school days from the date the complaint was received by the Section 504/ADA Coordinator or Superintendent. The written notice shall include a finding as to whether the complaint was substantiated and if so, shall identify how the District will remedy any identified violations of Section 504/ADA. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and the respondent shall be notified of any such extension;
8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint, and no later than fifteen (15) school days after the start of the following school year. The complainant and the respondent will receive notice if the investigation has been impeded by the summer recess, and interim measures may be implemented as necessary (see sub-paragraph 4);
9. Ensure that appropriate corrective action is taken whenever allegations are verified. When allegations are verified, ensure that measures to remedy the effects of the discrimination and prevent its recurrence are appropriately considered, and offered, when appropriate. Corrective action should include steps to avoid continuing discrimination;
10. In the event the investigator concludes that there is no violation of Section 504/ADA, the district may attempt to resolve the complainant's ongoing concerns, if possible.

H. If the complainant or respondent is not satisfied with the findings and conclusions of the investigation, the appealing party may request review and reconsideration of the conclusion of the complaint within thirty (30) days of receipt of the written outcome. In requesting review, the appealing party must submit the complaint, the written outcome of the complaint, and explain why he/she believes the factual information relied upon by the investigator was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, *and* how this information would change the investigator's determination in the case. Failure to provide all such information may result in the denial of the review.

Upon review of a written request from the appealing party, the Superintendent shall review the investigative results of the investigator and determine if further action and/or investigation is warranted. Such action may include consultation with the investigator and other relevant witnesses, a meeting with appropriate individuals to attempt to resolve the complaint or a decision affirming or overruling the investigator's conclusions or findings. The Superintendent shall provide written notice to the appealing party and other party of his/her decision within ten (10) school days following the receipt of the written request for review. When a written request for review is received during summer recess, the Superintendent conduct the review as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the review, and no later than ten (10) school days after the start of the following school year. The Superintendent's decision shall be final.

Reports of Suspected Abuse or Neglect of Adults with an Intellectual Disability or Autism Spectrum Disorder 4020

Section 46a-11b of the Connecticut General Statutes requires that certain school personnel report any suspected abuse or neglect of persons between eighteen (18) and sixty (60) years of age who: 1) have an intellectual disability or 2) receive funding or services from the Department of Social Services' ("DSS") Division of Autism Spectrum Disorder Services. In furtherance of this statute and its purpose, it is the policy of the Meriden Board of Education to require ALL EMPLOYEES of the Board of Education to comply with the following procedures in the event that, in the ordinary course of their employment or profession, they have reasonable cause to suspect that a person with an intellectual disability or an individual receiving funding or services from DSS' Division of Autism Spectrum Disorder Services between eighteen (18) and sixty (60) years of age has been abused or neglected.

1. Scope of Policy

This policy applies not only to employees who are required by law to report suspected abuse and/or neglect of adults with intellectual disabilities, but also to ALL EMPLOYEES of the Board of Education.

2. Definitions

For the purposes of this policy:

"Abuse" means the willful infliction of physical pain or injury or the willful deprivation by a caretaker of services which are necessary to the person's health or safety.

"Neglect" means a situation where a person with an intellectual disability either is living alone and is not able to provide for himself or herself the services which are necessary to maintain his or her physical and mental health, or is not receiving such necessary services from the caretaker.

"Statutory Mandated Reporter" means an individual required by Conn. Gen. Stat. Section 46a-11b to report suspected abuse and/or neglect of adults with intellectual disabilities. In the public school context, the term "statutory mandated reporter" includes teachers, school administrators, school guidance counselors, paraprofessionals, licensed behavior analysts, registered or licensed practical nurses, psychologists, social workers, licensed or certified substance abuse counselors, mental health professionals, physical therapists, occupational therapists, dental hygienists, speech pathologists, and licensed professional counselors.

3. Reporting Procedures for Statutory Mandated Reporters

If a statutory mandated reporter has reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from DSS' Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the mandated reporter shall, as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report to:

Abuse Investigation Division

Department of Developmental Services (“DDS”)

460 Capitol Avenue

Hartford, Connecticut 06106

Telephone: 1-844-878-8923

An unsuccessful attempt to make an initial report to DDS on the weekend, holiday, or after business hours shall not be construed as a violation of this policy or applicable law if the mandatory reporter makes reasonable attempts to make such report as soon as practicable after the initial attempt. For purposes of this policy, “reasonable attempts” means documented efforts to contact DDS by phone, electronic mail or in person.

The statutory mandated reporter shall also immediately notify the Superintendent.

Such initial oral report shall be followed by a written report to the Abuse Investigation Division of DDS not later than five calendar days after the initial oral report was made, and a copy of any written report shall be given to the Superintendent.

4. Reporting Procedures for Non-Statutory Mandated Reporters

The following procedures apply only to employees who are not statutory mandated reporters, as set forth above.

a) If an employee who is not a statutory mandated reporter has reasonable cause to suspect that any person with an intellectual disability, or any individual who receives funding or services from the DSS’ Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years of age has been abused or neglected, the following steps shall be taken.

(1) The employee shall as soon as practicable, but not later than forty-eight (48) hours after having reasonable cause to suspect abuse or neglect, make an oral report by telephone or in person to the Superintendent of Schools or his/her designee, to be followed by an immediate written report to the Superintendent or his/her designee.

(2) If the Superintendent or his/her designee determines that there is reasonable cause to suspect or believe that any person with an intellectual disability, or any individual who receives funding or services from the DSS’ Division of Autism Spectrum Disorder Services, between eighteen (18) and sixty (60) years has been abused or neglected, the Superintendent or designee shall cause reports to be made in accordance with the procedures set forth for statutory mandated reporters, set forth above.

b) Nothing in this policy shall be construed to preclude an employee from reporting suspected abuse and/or neglect of adults with intellectual disabilities, or any individual who receives funding or services from the DSS’ Division of Autism Spectrum Disorder Services, directly to the Abuse Investigation Division of DDS.

5. Contents of Report

Any oral or written report made pursuant to this policy shall contain the following information, if known:

a) the name and address of the allegedly abused or neglected person;

b) a statement from the reporter indicating a belief that the person is intellectually disabled or receives funding or services from the DSS’ Division of Autism Spectrum Disorder Services, together with information indicating that the person is unable to protect himself or herself from abuse or neglect;

c) information concerning the nature and extent of the abuse or neglect; and,

d) any additional information that the reporter believes would be helpful in investigating the report or in protecting the person with an intellectual disability or who receives funding or services from the DSS’ Division of Autism Spectrum Disorder Services.

6. Investigation of the Report

If the suspected abuser is a school employee, the Superintendent shall thoroughly investigate the report, and shall, to the extent feasible, endeavor to coordinate any such investigation with the investigation conducted by the Abuse Investigation Division of DDS.

The Superintendent's investigation shall include an opportunity for the suspected abuser to be heard with respect to the allegations contained within the report. During the course of an investigation of suspected abuse by a school employee, the Superintendent may suspend the employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation.

If the investigation by the Superintendent and/or the Abuse Investigation Division of DDS produces evidence that a person with an intellectual disability, or any individual who receives funding or services from the DSS’ Division of Autism Spectrum Disorder Services, has been abused by a school employee, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment.

7. Delegation of Authority by Superintendent

The Superintendent may appoint a designee for the purposes of receiving and making reports, notifying and receiving notification, or investigating reports pursuant to this policy.

8. Disciplinary Action for Failure to Follow Policy

Any employee who fails to comply with the requirements of this policy shall be subject to discipline, up to and including termination of employment.

9. Non-discrimination Policy

The Board of Education shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect.

Prohibition of Sex Discrimination and Sexual Harassment in the Workplace 4030

It is the policy of the Meriden Board of Education (the “Board”) for the Meriden Public Schools (the “District”) that any form of sex discrimination or sexual harassment is prohibited in the Board’s education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex.

The Board does not discriminate on the basis of sex in the education programs or activities that it operates and the Board is required by Title IX of the Education Amendments of 1972 and its implementing regulations (“Title IX”), Title VII of the Civil Rights Act of 1964 (“Title VII”), and Connecticut law not to discriminate in such a manner. Students, Board employees and third parties are required to adhere to a standard of conduct that is respectful of the rights of all parties. Any employee or student who engages in conduct prohibited by this Policy shall be subject to disciplinary action, up to and including termination or expulsion, respectively. Third parties who engage in conduct prohibited by this Policy shall be subject to other sanctions, which may include exclusion from Board property and/or activities. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties.

For conduct to violate Title IX, the conduct must have occurred in an education program or activity of the Board; the conduct must have occurred within the United States of America; and the complainant must be participating in or attempting to participate in the education program or activity of the Board. Conduct that does not meet these requirements still may constitute a violation of Title VII, Connecticut law, and/or another Board policy.

The Superintendent of Schools shall develop Administrative Regulations implementing this Policy and in accordance with Title IX, Title VII, and Connecticut law (the “Administrative Regulations”).

Sex discrimination occurs when an employer refuses to hire, disciplines or discharges any individual, or otherwise discriminates against an individual with respect to the individual’s compensation, terms, conditions, or privileges of employment on the basis of the individual’s sex. Sex discrimination also occurs when a person, because of the person’s sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

(1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual’s participation in unwelcome sexual conduct (*i.e.*, *quid pro quo)*;

(2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the Board’s education programs or activities; or

(3) “Sexual assault” as defined in 20 U.S.C. 1092(f)(6)(A)(v), “dating violence” as defined in 34 U.S.C. 12291(a)(10), “domestic violence” as defined in 34 U.S.C. 12291(a)(8), or “stalking” as defined in 34 U.S.C. 12291(a)(30).

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

(1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;

(2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Under Connecticut law, discrimination or harassment on the basis of sex includes discrimination or harassment on the basis of sexual orientation or gender identity and expression.

Reporting Sex Discrimination or Sexual Harassment

It is the express policy of the Board to encourage victims of sex discrimination and/or sexual harassment to report such claims. Employees are encouraged to report complaints of sex discrimination and/or sexual harassment promptly in accordance with the appropriate process set forth in the Administrative Regulations. The Board directs its employees to respond to such complaints in a prompt and equitable manner.

Violations of this Policy by employees will not be permitted and may result in discipline up to and including discharge from employment. Individuals who engage in acts of sex discrimination or sexual harassment may also be subject to civil and criminal penalties. Retaliation against any employee for complaining about sex discrimination or sexual harassment is prohibited under this Policy and illegal under state and federal law.

Any Board employee with notice of sex discrimination and/or sexual harassment allegations shall immediately report such information to the building principal and/or the Title IX Coordinator, or if the employee does not work in a school building, to the Title IX Coordinator.

The District administration (the “Administration”) shall provide training to Title IX Coordinator(s), investigators, decision-makers, and any person who facilitates an informal resolution process (as set forth in the Administrative Regulations), which training shall include, but need not be limited to, the definition of sex discrimination and sexual harassment, the scope of the Board’s education program and activity, how to conduct an investigation and implement the grievance process, and how to serve impartially, including by avoiding prejudgment of the facts at issue, conflicts of interest, and bias. The Administration shall make the training materials used to provide these trainings publicly available on the Board’s website. The Administration shall also periodically provide training to all Board employees on the topic of sex discrimination and sexual harassment under Title IX, Title VII, and Connecticut law, which shall include but not be limited to when reports of sex discrimination and/or sexual harassment must be made. The Administration shall distribute this Policy and the Administrative Regulations to employees, union representatives, students, parents and legal guardians and make the Policy and the Administrative Regulations available on the Board’s website to promote an environment free of sex discrimination and sexual harassment.

The Board’s Title IX Coordinator is the Office of Multilingual Education, Equity, and Instruction, Meriden Public Schools, 22 Liberty Street, Meriden, CT 06450; Telephone: (203) 630-4188. Any individual may make a report of sex discrimination and/or sexual harassment to any Board employee or directly to the Title IX Coordinator using any one, or multiple, of the following points of contact

THE PROHIBITION OF SEX DISCRIMINATION AND SEXUAL HARASSMENT (PERSONNEL)

It is the policy of the Meriden Board of Education (the "Board") for the Meriden Public Schools that any form of sex discrimination or sexual harassment is prohibited in the Board's education programs and activities, whether by students, Board employees or third parties subject to substantial control by the Board. Students, District employees and third parties are expected to adhere to a standard of conduct that is respectful of the rights of students, District employees, and third parties. It is the policy of the Board to maintain a working environment free from harassment, insults or intimidation on the basis of an employee's sex and free from discrimination based on sex. Verbal or physical conduct by a supervisor or co-worker relating to an employee's sex that has the effect of creating an intimidating, hostile or offensive work environment, unreasonably interfering with the employee's work performance, or adversely affecting the employee's employment opportunities is prohibited.

Any employee or student who engages in conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) shall be subject to disciplinary action. Any third party who engages in conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) shall be subject to remedial measures, which may include exclusion from school property.

Sex discrimination occurs when a person, because of the person's sex, is denied participation in or the benefits of any education program or activity receiving federal financial assistance.

Sexual harassment under Title IX means conduct on the basis of sex that satisfies one or more of the following:

(1) An employee of the Board conditioning the provision of an aid, benefit, or service of the Board on an individual's participation in unwelcome sexual conduct (i.e., *quid pro quo)*;

(2) Unwelcome conduct determined by a reasonable person to be so severe, pervasive, and objectively offensive that it effectively denies a person equal access to the District's education programs or activities; or

(3) "Sexual assault" as defined in 20 U.S.C. 1092(f)(6)(A)(v), "dating violence" as defined in 34 U.S.C. 12291(a)(10), "domestic violence" as defined in 34 U.S.C. 12291(a)(8), or "stalking" as defined in 34 U.S.C. 12291(a)(30). These definitions can be found in Appendix A of these Administrative Regulations.

Sexual harassment under Title VII and Connecticut law means unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

(1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;

(2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or

(3) Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile, or offensive working environment.

Although not an exhaustive list, the following are other examples of conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel):

1. Unwelcome sexual advances from a co-worker or supervisor, such as unwanted hugs, touches, or kisses;
2. Unwelcome attention of a sexual nature, such as degrading, suggestive or lewd remarks or noises;
3. Dirty jokes, derogatory or pornographic posters, cartoons or drawings;
4. The threat or suggestion that continued employment advancement, assignment or earnings depend on whether or not the employee will submit to or tolerate harassment;
5. Circulating, showing, or exchanging emails, text messages, digital images or websites of a sexual nature;

6. Using computer systems, including email, instant messaging, text messaging, blogging or the use of social networking websites, or other forms of electronic communications, to engage in any conduct prohibited by the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel).

NOTICE OF THE TITLE IX COORDINATOR

The District's Title IX Coordinator is the Assistant Superintendent of Talent and Development. Any individual may make a report of sex discrimination and/or sexual harassment directly to the Title IX Coordinator using any one, or multiple, of the following points of contact:

Assistant Superintendent for Personnel and Talent Development

Meriden Public Schools

22 Liberty Street

Meriden, CT 06450

Telephone number: 203-630-4209

The Title IX Coordinator manages the District's compliance with Title IX, Title VII and Connecticut law with respect to sexual harassment and/or sex discrimination and is an available resource to anyone seeking information or wishing to file a formal complaint of same. When a student, District employee, or other participant in the District's programs and activities feels that such person has been subjected to discrimination on the basis of sex in any District program or activity, including without limitation being subjected to sexual harassment, such person may contact the Title IX Coordinator or utilize the Title IX, Title VII and Connecticut law grievance systems set forth herein to bring concerns forward for the purpose of obtaining a prompt and equitable resolution.

EXPLANATION OF COMPLAINT PROCESS AND PROCEDURE

The federal regulations implementing Title IX require the adoption and publication of two separate grievance systems: a grievance process for complaints of sex discrimination involving allegations of sexual harassment and grievance procedures for complaints of sex discrimination that are not sexual harassment. Accordingly, the Administration will process any complaints of sex discrimination involving allegations of sexual harassment, as defined above, pursuant to the **grievance process** set forth in Section I of these regulations. The Administration will process any complaints of sex discrimination that are not sexual harassment pursuant to the **grievance procedures** set forth in Section II of these regulations.

The District will keep confidential the identity of any individual who has a made a report or complaint of sex discrimination, including any individual who has made a report or filed a formal complaint of sexual harassment, any complainant, any individual who has been reported to be the perpetrator of sex discrimination, any respondent, and any witness, except as may be permitted by the Family Educational Rights and Privacy Act (FERPA), or as required by law, or to carry out the purposes of these Administrative Regulations, including the conduct of any investigation, hearing, or judicial proceeding arising from these Administrative Regulations.

The obligation to comply with Title IX is not obviated or alleviated by the FERPA.

SECTION I. GRIEVANCE PROCESS FOR COMPLAINTS OF SEXUAL HARASSMENT

1. Definitions

- **Bias** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) demonstrate actual bias, rather than the appearance of bias. Actual bias includes, but is not limited to, demonstrated personal animus against the respondent or the complainant and/or prejudgment of the facts at issue in the investigation.
- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sexual harassment.
- A **conflict of interest** occurs when it is proven that the Title IX Coordinator, investigator(s), and/or decision-maker(s) have personal, financial and/or familial interests that affected the outcome of the investigation.
- For purposes of investigations and complaints of sexual harassment, **education program or activity** includes locations, events, or circumstances over which the Board exercises substantial control over both the respondent and the context in which the sexual harassment occurs.
- **Employee** means (A) a teacher, substitute teacher, school administrator, school superintendent, guidance counselor, school counselor, psychologist, social worker, nurse, physician, school paraprofessional or coach employed by the Board or working in a public elementary, middle or high school; or (B) any other individual who, in the performance of his or her duties, has regular contact with students and who provides services to or on behalf of students enrolled in a public elementary, middle or high school, pursuant to a contract with the Board.
- **Formal complaint** means a document filed by a complainant or signed by the Title IX Coordinator alleging sexual harassment against a respondent and requesting that the Administration investigate the allegation of sexual harassment. A "document filed by a complainant" means a document or electronic submission that contains the complainant's physical or digital signature, or otherwise indicates that the complainant is the person filing the formal complaint.
- **Respondent** means an individual who has been alleged to be the perpetrator of conduct that could constitute sexual harassment.
- **Supportive measures** means non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint or where no formal complaint has been filed. Such measures are designed to restore or preserve equal access to the District's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or the District's educational environment, or deter sexual harassment. Supportive measures may include counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, mutual restrictions on contact between the parties, increased security and monitoring, and other similar measures.

B. Reporting Sexual Harassment

1. It is the express policy of the Board to encourage victims of sexual harassment to report such claims. Any person may report sexual harassment (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sexual harassment), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sexual harassment or alleged sexual harassment against a person in the District's education program or activity, the Title IX Coordinator or designee will promptly contact the complainant to discuss the availability of supportive measures, whether or not the complainant has filed a formal complaint, and will consider the complainant's wishes with respect to such measures. If the complainant has yet to file a formal complaint, the Title IX Coordinator or designee will explain to the complainant the process for doing so.
2. The District will treat complainants and respondents equitably. A respondent is presumed not responsible for the alleged conduct and a determination regarding responsibility will be made at the conclusion of the grievance process if a formal complaint is filed. Nothing in these Administrative Regulations shall preclude the District from placing an employee respondent on administrative leave during the pendency of the grievance process. Further, nothing in these Administrative Regulations shall limit or preclude the District from removing a respondent from the District's education program or activity on an emergency basis, provided that the District undertakes an individualized safety and risk analysis, and determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal. If a respondent is removed on an emergency basis, the District shall provide the respondent with notice and an opportunity to challenge the decision immediately following the removal.

C. Formal Complaint and Grievance Process

1. A formal complaint may be filed with the Title IX Coordinator in person, by mail, or by electronic mail, by using the contact information listed for the Title IX Coordinator. At the time of filing a formal complaint, a complainant must be participating in or attempting to participate in the District's education programs or activity. A formal complaint may be signed by the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the formal complaint should be filed with the Superintendent. If the formal complaint being filed is against the Superintendent, the formal complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
2. The District may consolidate formal complaints as to allegations of sexual harassment against more than one respondent, or by more than one complainant against one or more respondents, or by one party against the other party, where the allegations of sexual harassment arise out of the same facts or circumstances. If possible, formal complaints should be filed within ten (10) school days of the alleged occurrence in order to facilitate the prompt and equitable resolution of such claims. The District will attempt to complete the formal grievance process within ninety (90) school days of receiving a complaint. This timeframe may be temporarily delayed or extended in accordance with Subsection G of this Section.
3. Upon receipt of a formal complaint, if the Title IX Coordinator or designee has not already discussed the availability of supportive measures with the complainant, the Title IX Coordinator or designee will promptly contact the complainant to discuss the availability of such measures and consider the complainant's wishes with respect to them. The Title IX Coordinator or designee may also contact the respondent, separately from the complainant, to discuss the availability of supportive measures for the respondent. The District will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of the District to provide supportive measures.
4. Within ten (10) school days of receiving a formal complaint, the District will provide the known parties with written notice of the allegations potentially constituting sexual harassment and a copy of this grievance process. The written notice must also include the following:

i. The identities of the parties involved in the incident, if known;

ii. The conduct allegedly constituting sexual harassment as defined above;

iii. The date and the location of the alleged incident, if known;

iv. A statement that the respondent is presumed not responsible for the alleged conduct and that a determination regarding responsibility is made at the conclusion of the grievance process;

v. A statement that the parties may have an advisor of their choice, who may be, but is not required to be, an attorney, and may inspect and review evidence; and

vi. A statement of any provision in the District's policies that prohibits knowingly making false statements or knowingly submitting false information during the grievance process.

If, in the course of an investigation, the District decides to investigate allegations about the complainant or respondent that are not included in the written notice, the District must provide notice of the additional allegations to the parties whose identities are known.

6. The parties may have an advisor of their choice accompany them during any grievance proceeding at which the party's attendance is required. The District may, in its discretion, establish certain restrictions regarding the extent to which an advisor may participate in the proceedings. If any such restrictions are established, they will be applied equally to all parties.
7. The Title IX Coordinator will, as applicable, promptly commence an investigation of the formal complaint, designate a school administrator to promptly investigate the formal complaint, or dismiss the formal complaint in accordance with Subsection F of this Section. The standard of evidence to be used to determine responsibility is the preponderance of the evidence standard (i.e., more likely than not). ***[Note: A school district may choose to use a "clear and convincing evidence" standard instead. A clear and convincing evidence standard is a higher evidentiary burden than the preponderance of evidence standard. The clear and convincing evidence standard is understood to mean that a decision-maker must conclude that a fact is highly probable to be true, as opposed to a "more likely than not" under the preponderance of the evidence standard. The same standard of evidence for formal complaints must be used for both employees and students. Districts may wish to consult legal counsel regarding selection of an evidentiary standard.]*** The burden of proof and the burden of gathering evidence sufficient to reach a determination regarding responsibility rest on the District and not on the parties.
8. The parties will be given an equal opportunity to discuss the allegations under investigation with the investigator(s) and are permitted to gather and present relevant evidence. This opportunity includes presenting witnesses, including fact and expert witnesses, and other inculpatory and exculpatory evidence. Credibility determinations will not be based on a person's status as a complainant, respondent, or witness. The District will provide to a party whose participation is invited or expected (including a witness) written notice of the date, time, location, participants, and purpose of all hearings (if applicable), investigative interviews, or other meetings, with sufficient time for the party to prepare to participate.
9. Both parties will be given an equal opportunity to inspect and review any evidence obtained as part of the investigation that is directly related to the allegations raised in the formal complaint, including the evidence upon which the District does not intend to rely in reaching a determination regarding responsibility and inculpatory or exculpatory evidence whether obtained from a party or other source, so that each party can meaningfully respond to the evidence prior to the conclusion of the investigation. Prior to completion of the investigative report, the District will send to each party and the party's advisor, if any, the evidence subject to inspection and review in an electronic format or a hard copy, and the parties will have ten (10) school days to submit a written response, which the investigator(s) will consider prior to completion of the investigative report, as described in Paragraph 9 of this section.
10. The investigator(s) will create an investigative report that fairly summarizes relevant evidence. The investigator(s) will send the investigative report, in an electronic format or hard copy, to each party and to each party's advisor for their review and written response at least ten (10) school days prior to **[*Insert "a hearing or" if a District chooses to conduct live hearings*]** the time a determination regarding responsibility is made.
11. ***[The Title IX regulations provide that school districts "may, but need not, provide for a hearing." If school districts choose to hold a hearing (live or otherwise), the regulations provide school districts significant discretion as to how to conduct such a hearing. If a school district would like to include the procedures for holding a live hearing in its administrative regulations, Shipman & Goodwin LLP would be happy to assist in crafting specific hearing procedures that satisfies the school district's needs.]***

11. The Superintendent will appoint a decision-maker(s), who shall be a District employee or third-party contractor and who shall be someone other than the Title IX Coordinator or investigator(s). If the complaint filed is against the Superintendent, the Board Chair shall appoint the decision-maker, who shall be someone other than the Title IX Coordinator or investigator(s). The investigator(s) and the decision-maker(s) shall not discuss the investigation's facts and/or determination while the complaint is pending. The decision-maker(s) will afford each party the opportunity to submit written, relevant questions that a party wants asked of any party or witness, provide each party with the answers, and allow for additional, limited follow-up questions from each party. Questions and evidence about the complainant's sexual predisposition or prior sexual behavior are not relevant, unless such questions and evidence about the complainant's prior sexual behavior are offered to prove that someone other than the respondent committed the conduct alleged by the complainant, or if the questions and evidence concern specific incidents of the complainant's prior sexual behavior with respect to the respondent and are offered to prove consent. The decision-maker(s) will explain to the party proposing the questions any decisions to exclude a question as not relevant.

12. The decision-maker(s) will issue a written determination regarding responsibility. The written determination will include: (1) identification of the allegations potentially constituting sexual harassment; (2) a description of the procedural steps taken from the receipt of the formal complaint through the determination, including any notifications to the parties, interviews with parties and witnesses, site visits, methods used to gather other evidence, and hearings held; (3) findings of fact supporting the determination; (4) conclusions regarding the application of the District's code of conduct to the facts; (5) a statement of, and rationale for, the result as to each allegation, including a determination regarding responsibility, any disciplinary sanctions the District will impose on the respondent, and whether remedies designed to restore or preserve equal access to the District's education program or activity will be provided by the District to the complainant; and (6) the District's procedures and permissible bases for the complainant and respondent to appeal. If the respondent is found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel), the written determination shall indicate whether the respondent engaged in sexual harassment as defined by the Board's Policy and these Administrative Regulations. The written determination will be provided to both parties simultaneously.

13. Student respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including expulsion. Employee respondents found responsible for violating the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) may be subject to discipline up to and including termination of employment. Other respondents may be subject to exclusion from the District's programs, activities and/or property. In appropriate circumstances, the District may make a criminal referral. Remedies will be designed to restore or preserve equal access to the District's education programs or activities.

14. After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent may avail themselves of the appeal process set forth in Section E of this Regulation.

D. Informal Resolution

At any time prior to reaching a determination regarding responsibility, but only after the filing of a formal complaint, the District may suggest to the parties the possibility of facilitating an informal resolution process, such as mediation, to resolve the formal complaint without the need for a full investigation and adjudication. If it is determined that an informal resolution may be appropriate, the Title IX Coordinator or designee will consult with the parties.

Prior to facilitating an informal resolution to a formal complaint, the Title IX Coordinator or designee will provide the parties with written notice disclosing the sexual harassment allegations, the requirements of an informal resolution process, and any consequences from participating in the informal resolution process. Upon receipt of this document, complainants and respondents have five (5) school days to determine whether they consent to participation in the informal resolution. The District must obtain voluntary, written consent to the informal resolution process from both parties.

Prior to agreeing to any resolution, any party has the right to withdraw from the informal resolution process and resume the grievance process with respect to the formal complaint. If a satisfactory resolution is reached through this informal process, the matter will be considered resolved. If these efforts are unsuccessful, the formal grievance process will continue.

Nothing in this section precludes an employee from filing a complaint of retaliation for matters related to an informal resolution, nor does it preclude either party from filing complaints based on conduct that is alleged to occur following the District's facilitation of the informal resolution.

An informal resolution is not permitted to resolve allegations that an employee sexually harassed a student.

E. Appeal Process

After receiving notification of the decision-maker(s)' decision, or after receiving notification that the District dismissed a formal complaint or any allegation therein, both complainant and respondent have five (5) school days to submit a formal letter of appeal to the Title IX Coordinator specifying the grounds upon which the appeal is based.

Appeals will be appropriate only in the following circumstances:

- new evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter;
- procedural irregularity that affected the outcome of the matter;
- the Title IX Coordinator, investigator(s), and/or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter. A conflict of interest or bias does not exist solely because the Title IX Coordinator, investigators(s), and/or decision-maker(s) previously worked with or disciplined the complainant or respondent.
- ***[Note: School districts may add other bases for appeal so long as they are offered equally to both parties]***

The District will provide the other party with written notice of such appeal. Both parties will then have an opportunity to submit a written statement in support of, or challenging, the outcome. Such written statement must be submitted ten (10) school days after receiving written notice of the appeal. Upon receipt of an appeal, the Superintendent shall appoint a decision-maker(s) for the appeal, who shall be someone other than the Title IX Coordinator, investigator(s), or initial decision-maker(s). The decision-maker(s) for the appeal, in their discretion, will determine the appropriate procedure for the appeal. After considering the parties' written statements, the decision-maker(s) for the appeal will provide a written decision. If it is found that one of the bases for appeal exists, the decision-maker(s) for the appeal will issue an appropriate remedy.

Supportive measures for either or both parties may be continued throughout the appeal process.

F. Dismissal of a Formal Complaint

The Title IX Coordinator shall dismiss any formal complaint that, under Title IX, 1) would not constitute sexual harassment as defined under Title IX even if proved, 2) did not occur in the District's education program or activity, or 3) did not occur against a person in the United States. Such dismissal does not preclude action under another Board policy.

The District may dismiss a formal complaint or any allegations therein, if at any time during the investigation or hearing: 1) a complainant notifies the Title IX Coordinator in writing that the complainant would like to withdraw the formal complaint or any allegations therein; 2) the respondent is no longer enrolled or employed in the District; or 3) specific circumstances prevent the District from gathering evidence sufficient to reach a determination as to the formal complaint or allegations therein.

Upon a dismissal, the District will promptly and simultaneously send written notice of the dismissal and reason(s) therefor to each party. Either party can appeal from the District's dismissal of a formal complaint or any allegations therein using the appeals procedure.

In the event a formal complaint is dismissed prior to the issuance of a decision under Title IX, the Title IX Coordinator shall determine if the allegations of sexual harassment shall proceed through the grievance procedures identified in Section II of these Administrative Regulations for claims of sex discrimination for consideration as to whether the allegations constitute sexual harassment under Title VII or Connecticut law.

A dismissal pursuant to this section does not preclude action by the District under the Student Discipline policy, Code of Conduct for students/or and employees, or any other applicable rule, policy, and/or collective bargaining agreement.

G. Miscellaneous

1. Any timeframe set forth in these Administrative Regulations may be temporarily delayed or extended for good cause. Good cause may include, but is not limited to, considerations such as the absence of a party, a party's advisor, or a witness; concurrent law enforcement activity; concurrent activity by the Department of Children and Families; or the need for language assistance or accommodation of disabilities. If any timeframe is altered on a showing of good cause, written notice will be provided to each party with the reasons for the action.
2. If a sexual harassment complaint raises a concern about discrimination or harassment on the basis of any other legally protected classification (such as race, religion, color, national origin, age, or disability), the Title IX Coordinator or designee shall make a referral to other appropriate personnel within the District (e.g. Section 504 Coordinator, etc.), so as to ensure that any such investigation complies with the requirements of policies regarding nondiscrimination.
3. If the sexual harassment complaint results in reasonable cause to suspect or believe that a child has been abused or neglected, has had a nonaccidental physical injury, or injury which is at variance with the history given of such injury, is placed at imminent risk of serious harm, or that a student has been sexually assaulted by a school employee, then, the person to whom the complaint is given or who receives such information shall report such matters in accordance with the Board's policy on the Reports of Suspected Child Abuse or Neglect of Children.

4. Retaliation against any individual who complains pursuant to the Board's Policy regarding the Prohibition of Sex Discrimination and Sexual Harassment (Personnel) and these Administrative Regulations is strictly prohibited. The District will take actions designed to prevent retaliation as a result of filing a complaint. Complaints alleging retaliation may be filed according to the grievance procedures for sex discrimination described herein.
5. The District will maintain for a period of seven (7) years records of:

i. Each sexual harassment investigation including any determination regarding responsibility, any disciplinary sanctions imposed on the respondent, and any remedies provided to the complainant designed to restore or preserve equal access to the Board's education program or activity;

ii. Any appeal and the result therefrom;

iii. Any informal resolution and the result therefrom; and

iv. All material used to train Title IX Coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process. The Board will make these training materials publicly available on its website.

If the District has actual knowledge of sexual harassment in an education program or activity of the Board, and for any report or formal complaint of sexual harassment, the District will create and maintain for a period of seven (7) years, records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment. The District will document the basis for its conclusion that its response was not deliberately indifferent, and document that it has taken measures designed to restore or preserve equal access to the Board's education program or activity. If the District does not provide a complainant with supportive measures, then the District will document the reasons why such a response was not clearly unreasonable in light of the known circumstances.

SECTION II. GRIEVANCE PROCEDURES FOR CLAIMS OF SEX DISCRIMINATION (OTHER THAN SEXUAL HARASSMENT UNDER TITLE IX)

A. Definitions

- **Complainant** means an individual who is alleged to be the victim of conduct that could constitute sex discrimination.
- **Respondent** means an individual who has been reported to be the perpetrator of conduct that could constitute sex discrimination.

B. Reporting Sex Discrimination Other than Sexual Harassment under Title IX

It is the express policy of the Board to encourage victims of sex discrimination to report such claims. Any person may report sex discrimination (whether or not the person reporting is the person alleged to be the victim of conduct that could constitute sex discrimination), in person, by mail, by telephone, or by electronic mail, using the contact information listed for the Title IX Coordinator. If the District receives notice of sex discrimination or alleged sex discrimination against a person in the District's education program or activity, the Title IX Coordinator or designee will promptly notify the complainant of the grievance process. The District will treat complainants and respondents equitably during the grievance process. Sexual harassment is a form of sex discrimination, and any incident of sexual harassment under Title IX, as defined above, shall be handled pursuant to Section I of these Administrative Regulations. Any allegations of sexual harassment under Title VII or Connecticut law, as defined above, shall be handled pursuant to this Section II of these Administrative Regulations.

C. Grievance Procedures

1. As soon as an employee feels that he or she has been subjected to sex discrimination other than sexual harassment as defined under Title IX (including, without limitation, sexual harassment under Title VII or Connecticut law), he/she should make a written complaint to the Title IX Coordinator or to the building principal, or his/her designee. The employee will be provided a copy of the Board's policy and Administrative Regulations and made aware of his or her rights. Preferably, complaints should be filed within ten (10) school days of the alleged occurrence. Timely reporting of complaints facilitates the investigation and resolution of such complaints.
2. The complaint should state the:

i. Name of the complainant;

ii. Date of the complaint;

iii. Date(s) of the alleged discrimination;

iv. Name(s) of the discriminator(s);

v. Location where such discrimination occurred;

vi. Names of any witness(es) to the discrimination;

vii. Detailed statement of the circumstances constituting the alleged discrimination; and

viii. Remedy requested.

3. Any employee who makes an oral complaint of sex discrimination to any of the above-mentioned personnel will be provided a copy of these Administrative Regulations and will be requested to make a written complaint pursuant to the above procedure.
4. All complaints are to be forwarded immediately to the building principal or designee unless that individual is the subject of the complaint, in which case the complaint should be forwarded directly to the Superintendent of Schools or his/her designee. In addition, a copy of any complaint filed under this Policy shall be forwarded to the Title IX Coordinator. If the complaint being filed is against the Title IX Coordinator, the complaint should be filed with the Superintendent. If the complaint being filed is against the Superintendent, the complaint should be filed with the Board Chair, who will then retain an independent investigator to investigate the matter.
5. The Title IX Coordinator or designee shall investigate all complaints of sex discrimination against an employee, regardless of whether the conduct occurred on or off-school grounds. Complaints will be investigated promptly within the timeframes identified below. Timeframes may be extended as needed given the complexity of the investigation, availability of individuals with relevant information, and other extenuating circumstances. The investigation shall be conducted discreetly, maintaining confidentiality insofar as possible while still conducting an effective and thorough investigation.
6. Any employee who makes a complaint shall be notified of the District's intent to investigate the complaint. In the event the employee requests confidentiality or that an investigation not be conducted, the District will take reasonable steps to investigate and respond to the complaint to the extent possible, given the request for confidentiality or that the District not investigate the complaint. If the employee insists that his/her information not be shared with the alleged discriminator(s), the employee will be informed that the District's ability to investigate and/or take corrective action may be limited.
7. Upon receipt of a sex discrimination complaint, the Title IX Coordinator shall either promptly commence an investigation of the complaint, or shall designate a school administrator to promptly investigate the complaint. The Title IX Coordinator or designee shall:

i. offer to meet with the complainant and respondent (if applicable) separately within ten (10) school days to discuss the nature of the complaint, identify individuals the complainant and respondent (if applicable) believe have relevant information, and obtain any relevant documents the complainant and respondent may have;

ii. provide the complainant and respondent (if applicable) with a copy of the Board's sex discrimination policy and accompanying regulations;

iii. consider whether any interim measures may be appropriate to protect the complainant or respondent (if applicable), pending the outcome of the investigation;

iv. conduct an investigation that is adequate, reliable, and impartial. Investigate the factual basis of the complaint, including, as applicable, conducting interviews with individuals deemed relevant to the complaint;

v. consider whether alleged sex discrimination has created a hostile work environment, including consideration of the effects of off-campus conduct on the school;

vi. communicate the outcome of the investigation in writing to the complainant, to the respondent, and to any individual properly identified as a party to the complaint (to the extent permitted by state and federal confidentiality requirements), within ninety (90) school days from the date the complaint was received by the Superintendent's office. The investigator may extend this deadline for no more than fifteen (15) additional school days if needed to complete the investigation. The complainant and respondent (if applicable) shall be notified of such extension. The written notice shall include a finding whether the complaint was substantiated and if so, shall identify, to the extent possible, how the District will remedy the discrimination, adhering to the requirements of state and federal law; and

vii. when sex discrimination has been found, take steps that are reasonably calculated to end the discrimination, take corrective and/or disciplinary action aimed at preventing the recurrence of the discrimination, as deemed appropriate by the Superintendent or his/her designee, and take steps to remedy the effects of the sex discrimination.

8. If a complaint is made during summer recess, the complaint will be reviewed and addressed as quickly as possible given the availability of staff and/or other individuals who may have information relevant to the complaint. If fixed timeframes cannot be met, the complainant and respondent will receive notice and interim measures may be implemented as necessary.
9. If the complainant or respondent (if applicable) is dissatisfied with the findings of the investigation, he or she may file a written appeal within five (5) school days to the Title IX Coordinator, or, if he/she conducted the investigation, to the Superintendent of Schools, who shall review the Title IX Coordinator or designee's written report, the information collected by the Title IX Coordinator or designee together with the recommended disposition of the complaint to determine whether the alleged conduct constitutes sex discrimination. The Title IX Coordinator or Superintendent of Schools may determine if further action and/or investigation is warranted. After completing this review, the Title IX Coordinator or Superintendent of Schools shall respond to the complainant and respondent (if applicable), in writing, within fifteen (15) school days following the receipt of the written request for review.

D. Miscellaneous

1. EMPLOYEE USE OF THE DISTRICT'S COMPUTER SYSTEMS AND ELECTRONIC COMMUNICATIONS 4034

Computers, computer networks, electronic devices, Internet and/or WiFi access, and electronic messaging systems are effective and important technological resources. The Meriden Board of Education (the “Board”) has installed computers and a computer network(s), including Internet and WiFi access and electronic messaging systems**,** on Board premises and may provide other electronic devices that can access the network(s) and/or have the ability to send and receive messages with an operating system or network communication framework. Devices include but are not limited to personal computing devices, cellular phones, Smartphones, Smartwatches, network access devices, radios, personal cassette players, CD players, tablets, walkie-talkies, personal gaming systems, Bluetooth speakers, personal data assistants, and other electronic signaling devices. Electronic messaging systems include mobile, chat, and instant message; cloud collaboration platforms, including internal chat, peer-to-peer messaging systems, and draft email message transfer; and products that have the ability to create duration-based or subjective removal of content, such as Snapchat, and security focused platforms, such as Signal. The Board’s computers, computer networks, electronic devices, Internet access, and electronic messaging systems are referred to collectively as “the computer systems” and are provided in order to enhance both the educational opportunities for our students and the business operations of the Meriden Public Schools (the “District”).
These computer systems are business and educational tools. As such, they are made available to Board employees for business and education-related uses. The Administration shall develop regulations setting forth procedures to be used by the Administration in an effort to ensure that such computer systems are used for appropriate business and education-related purposes.
In accordance with applicable laws and the Administrative Regulations associated with this policy, the system administrator and others managing the computer systems may access electronic messaging systems (including email) or monitor activity on the computer system or electronic devices accessing the computer systems at any time and for any reason or no reason. Typical examples include when there is reason to suspect inappropriate conduct or there is a problem with the computer systems needing correction. Further, the system administrator and others managing the computer systems can access or monitor activity on the systems despite the use of passwords by individual users and can bypass such passwords. In addition, review of electronic messaging systems (including email), messages or information stored on the computer systems, which can be forensically retrieved, includes those messages and/or electronic data sent, posted and/or retrieved using social networking sites, including but not limited to, Twitter/X, Facebook, LinkedIn, Instagram, YouTube, TikTok, Reddit, and Tumblr.
Incidental personal use of the computer systems may be permitted solely for the purpose of email transmissions and access to the Internet/WiFi on a limited, occasional basis. Such incidental personal use of the computer systems, however, is subject to all rules, including monitoring of all such use, as the Superintendent may establish through regulation. Moreover, any such incidental personal use shall not interfere in any manner with work responsibilities.
Users should not have any expectation of personal privacy in the use of the computer systems or other electronic devices that access the computer system.Use of the computer systems represents an employee’s acknowledgment that the employee has read and understands this policy and any applicable regulations in their entirety, including the provisions regarding monitoring and review of electronic activity using the District systems or access.

ADMINISTRATIVE REGULATIONS REGARDING EMPLOYEE USE OF THE DISTRICT'S COMPUTER SYSTEMS AND ELECTRONIC COMMUNICATIONS 4034(R)

Introduction

Computers, computer networks, electronic devices, Internet access, and electronic mail are effective and important technological resources. The Board of Education has installed computers and a computer network, including Internet access and an e-mail system, on Board premises and may provide electronic devices that can access the system, such as personal laptops, Smartphones, I-Pads or other tablet computers, I-Phones, Androids or other mobile or handheld electronic devices, to enhance the educational and business operations of the district. In these regulations, the computers, computer network, electronic devices, Internet access and e-mail system are referred to collectively as "the computer systems."

These computer systems are business and educational tools. As such, they are being made available to employees of the district for district-related educational and business purposes. *All users of the computer systems must restrict themselves to appropriate district-related educational and business purposes*. Incidental personal use of the computer systems may be permitted solely for the purpose of e-mail transmissions and similar communications, including access to the Internet on a limited, occasional basis. Such incidental personal use of the computer systems is subject to all rules, including monitoring of all such use, set out in these regulations. Moreover, any such incidental personal use shall not interfere in any manner with work responsibilities.

These computer systems are expensive to install, own and maintain. Unfortunately, these computer systems can be misused in a variety of ways, some of which are innocent and others deliberate. Therefore, in order to maximize the benefits of these technologies to the district, our employees and all our students, this regulation shall govern *all* use of these computer systems.

Monitoring

It is important for all users of these computer systems to understand that the Board of Education, as the owner of the computer systems, reserves the right to monitor the use of the computer systems to ensure that they are being used in accordance with these regulations. The Board of Education intends to monitor in a limited fashion, but will do so as needed to ensure that the systems are being used appropriately for district-related educational and business purposes and to maximize utilization of the systems for such business and educational purposes. The Superintendent reserves the right to eliminate personal use of the district's computer systems by any or all employees at any time.

The system administrator and others managing the computer systems may access email or monitor activity on the computer system or electronic devices accessing the computer systems at any time and for any reason or no reason. Typical examples include when there is reason to suspect inappropriate conduct or there is a problem with the computer systems needing correction. Further, the system administrator and others managing the computer systems can access or monitor activity on the systems despite the use of passwords by individual users, and can bypass such passwords. In addition, review of emails, messages or information stored on the computer systems, which can be forensically retrieved, includes those messages and/or electronic data sent, posted and/or retrieved using social networking sites, including, but not limited to, Twitter, Facebook, LinkedIn and YouTube.

Notwithstanding the above and in accordance with state law, the Board may not: (1) request or require that an employee provide the Board with a user name and password, password or any other authentication means for accessing a personal online account; (2) request or require that an employee authenticate or access a personal online account in the presence of a Board representative; or (3) require that an employee invite a supervisor employed by the Board or accept an invitation from a supervisor employed by the Board to join a group affiliated with any personal online account of the employee. However, the Board may request or require that an employee provide the Board with a user name and password, password or any other authentication means for accessing (1) any account or service provided by Board or by virtue of the employee's employment relationship with the Board or that the employee uses for the Board's business purposes, or (2) any electronic communications device supplied or paid for, in whole or in part, by the Board.

In accordance with applicable law, the Board maintains the right to require an employee to allow the Board to access his or her personal online account, without disclosing the user name and password, password or other authentication means for accessing such personal online account, for the purpose of:

(A) Conducting an investigation for the purpose of ensuring compliance with applicable state or federal laws, regulatory requirements or prohibitions against work-related employee misconduct based on the receipt of specific information about activity on an employee's personal online account; or

(B) Conducting an investigation based on the receipt of specific information about an employee's unauthorized transfer of the Board's proprietary information, confidential information or financial data to or from a personal online account operated by an employee or other source.

For purposes of these Administrative Regulations, "personal online account" means any online account that is used by an employee exclusively for personal purposes and unrelated to any business purpose of the Board, including, but not limited to, electronic mail, social media and retail-based Internet web sites. "Personal online account" does not include any account created, maintained, used or accessed by an employee for a business purpose of the Board.

Why Monitor?

The computer systems are expensive for the Board to install, operate and maintain. For that reason, alone it is necessary to prevent misuse of the computer systems. However, there are other equally important reasons why the Board intends to monitor the use of these computer systems, reasons that support its efforts to maintain a comfortable and pleasant work environment for all employees.

These computer systems can be used for improper, and even illegal, purposes. Experience by other operators of such computer systems has shown that they can be used for such wrongful purposes as sexual harassment, intimidation of co-workers, threatening of co-workers, breaches of confidentiality, copyright infringement and the like.

Monitoring will also allow the Board to continually reassess the utility of the computer systems, and whenever appropriate, make such changes to the computer systems as it deems fit. Thus, the Board monitoring should serve to increase the value of the system to the district on an ongoing basis.

Privacy Issues

Employees must understand that the Board has reserved the right to conduct monitoring of these computer systems and can do so *despite* the assignment to individual employees of passwords for system security. Any password systems implemented by the district are designed solely to provide system security from unauthorized users, not to provide privacy to the individual system user.

The system's security aspects, message delete function and personal passwords can be bypassed for monitoring purposes.

Therefore, *employees must be aware that they should not have any expectation of personal privacy in the use of these computer systems.* This provision applies to any and all uses of the district's computer systems and electronic devices that access same, including any incidental personal use permitted in accordance with these regulations.

Use of the computer system represents an employee's acknowledgement that the employee has read and understands these regulations and any applicable policy in their entirety, including the provisions regarding monitoring and review of computer activity.

Prohibited Uses

Inappropriate use of district computer systems is expressly prohibited, including, but not limited to, the following:

- Sending any form of solicitation not directly related to the business of the Board of Education;
- Sending any form of slanderous, harassing, threatening, or intimidating message, at any time, to any person (such communications ***may*** also be a ***crime***);
- Gaining or seeking to gain unauthorized access to computer systems;
- Downloading or modifying computer software of the district in violation of the district's licensure agreement(s) and/or without authorization from supervisory personnel;
- Sending any message that breaches the Board of Education's confidentiality requirements, including the confidentiality rights of students;
- Sending any copyrighted material over the system;
- Sending messages for any purpose prohibited by law;
- Transmission or receipt of inappropriate e-mail communications or accessing inappropriate information on the Internet, including vulgar, lewd or obscene words or pictures;
- Using computer systems for any purposes, or in any manner, other than those permitted under these regulations;
- Using social networking sites such as Facebook, Twitter, LinkedIn and YouTube in a manner that violates the Board's Social Networking policy.

In addition, if a particular behavior or activity is generally prohibited by law and/or Board of Education policy, use of these computer systems for the purpose of carrying out such activity and/or behavior is also prohibited.

Electronic Communications

The Board expects that all employees will comply with all applicable Board policies and standards of professional conduct when engaging in any form of electronic communication, including texting, using the district's computer system, or through the use of any electronic device or mobile device owned, leased, or used by the Board. As with any form of communication, the Board expects district personnel to exercise caution and appropriate judgment when using electronic communications with students, colleagues and other individuals in the context of fulfilling an employee's job-related responsibilities, including when engaging in remote teaching or use of a digital teaching platform.

Disciplinary Action

Misuse of these computer systems will not be tolerated and will result in disciplinary action up to and including termination of employment. Because no two situations are identical, the Board reserves the right to determine the appropriate discipline for any particular set of circumstances.

Complaints of Problems or Misuse

Anyone who is aware of problems with or misuse of these computer systems, or has a question regarding the appropriate use of the computer systems, should report this to his or her supervisor or to the Manager of Informational Technology Services.

Most importantly, the Board urges *any* employee who receives *any* harassing, threatening, intimidating or other improper message through the computer systems to report this immediately. It is the Board's policy that no employee should be required to tolerate such treatment, regardless of the identity of the sender of the message. *Please report these events!*

Implementation

This regulation is effective as of April 20, 2021.

Social Media 4035

The Meriden Board of Education (the "Board") recognizes the importance and utility of social media and networks for its employees. The laws regarding social media continue to evolve and change. Nothing in this policy, its implementing regulations or its enforcement is intended to limit an employee's right to use social media or personal online accounts under applicable law, as it may evolve. The Board acknowledges, for example, that its employees have the right under the First Amendment, in certain circumstances, to speak out on matters of public concern. The Board will resolve any conflict between this policy and applicable law in favor of the law.
Ordinarily, the use of social media by employees, including employees' use of personal online accounts, will not be a legal or policy issue. However, the Board will regulate disruptive communications and/or actions by members of the school community when school officials determine that such communications or actions:

1. cause legally sufficient interference with, disruption to, or undermining of the effective operation of the Meriden Public Schools (the "District") or a school or program operated by the District such that regulation of such communications comports with the First Amendment and other applicable laws;
2. are used to engage in harassing, defamatory, obscene, abusive, discriminatory, threatening, or similarly inappropriate communications (e.g., when such speech relates to a matter of public concern and its disruptive impact outweighs the importance of the speech);
3. create a hostile work environment;
4. breach confidentiality obligations of Board employees; and/or
5. violate the law, Board policies, and/or other school rules or regulations.

Employees' use of social media on behalf of the District will be addressed as speech pursuant to duty under applicable First Amendment principles.
The Board, through its Superintendent, will adopt and maintain administrative regulations to implement this policy.

SOLICITATIONS 4040

In order to promote an educational environment devoted to learning and free from unnecessary distractions, the Board prohibits solicitation of students by Board employees. No Board employee may, on school property or during school-sponsored activities, solicit students or offer services to students for non-school sponsored activities for personal or financial gain.

No person or agent shall be permitted to solicit the personal business of administrators, staff or students on school property, nor may administrators, staff members or students act as agents to secure the business of other administrators, staff members or students.

Schools shall not promote or sponsor merchandise or activities, or engage in the sale of merchandise for the purpose of commercial enterprise. Schools may, though, sponsor or support non-profit activities that serve schools or the community as a whole. Authorization for such sponsorship will rest with the Superintendent.

4.Reporting Procedures for Statutorily Mandated Reporters

The following procedures apply only to statutorily mandated reporters, as defined above.

(4)Not later than forty-eight (48) hours after making an oral report, the employee shall submit a written or electronic report to the Commissioner of DCF or the Commissioner's designee containing all of the required information. The written or electronic report should be submitted in the manner prescribed by the Commissioner of DCF. When such report is submitted electronically, the employee shall respond to further inquiries from the Commissioner of DCF or Commissioner's designee made within twenty-four (24) hours. Such employee shall inform the Superintendent or Superintendent's designee as soon as possible as to the nature of the further communication with the Commissioner or Commissioner's designee.

(1)The employee shall make an oral report as soon as practicable, but not later than twelve (12) hours after the employee has reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm or a student is a victim of sexual assault by a school employee. Such oral report shall be made by telephone or in person to the Superintendent of Schools or Superintendent's designee, to be followed by an immediate written report to the Superintendent or Superintendent's designee.

(2)If the Superintendent or Superintendent's designee determines that there is reasonable cause to suspect or believe that a child has been abused or neglected or placed at imminent risk of serious harm or a student is a victim of sexual assault by a school employee, the Superintendent or designee shall cause reports to be made in accordance with the procedures set forth for statutorily mandated reporters.

b)Nothing in this policy shall be construed to preclude an employee reporting suspected child abuse, neglect or sexual assault by a school employee from reporting the same directly to the Commissioner of DCF.

6.Contents of Reports

Any report made pursuant to this policy shall contain the following information, if known:

In all other cases, DCF shall be responsible for conducting the investigation with the cooperation and collaboration of the Board, as appropriate.

b)Recognizing that DCF is the lead agency for the investigation of child abuse and neglect reports and reports of a student's sexual assault by school employees, the Superintendent's investigation shall permit and give priority to any investigation conducted by the Commissioner of DCF or the appropriate local law enforcement agency. The Superintendent shall conduct the District's investigation and take any disciplinary action, consistent with state law, upon notice from the Commissioner of DCF or the appropriate local law enforcement agency that the District's investigation will not interfere with the investigation of the Commissioner of DCF or the local law enforcement agency.

c)The Superintendent shall coordinate investigatory activities in order to minimize the number of interviews of any child or student victim of sexual assault and share information with other persons authorized to conduct an investigation of child abuse or neglect or sexual assault, as appropriate.

During the course of such investigation, the Superintendent may suspend a Board employee with pay or may place the employee on administrative leave with pay, pending the outcome of the investigation. If the individual is one who provides services to or on behalf of students enrolled in the District, pursuant to a contract with the Board of Education, the Superintendent may suspend the provision of such services, and direct the individual to refrain from any contact with students enrolled in the District, pending the outcome of the investigation.

8.Evidence of Abuse, Neglect or Sexual Assault by a School Employee

a)If, upon completion of the investigation by the Commissioner of DCF ("Commissioner"), the Superintendent has received a report from the Commissioner that the Commissioner has reasonable cause to believe that (1) a child has been abused or neglected by a school employee, as defined above, and the Commissioner has recommended that such employee be placed on the DCF Child Abuse and Neglect Registry, or (2) a student is a victim of sexual assault by a school employee, the Superintendent shall request (and the law provides) that DCF notify the Superintendent not later than five (5) working days after such finding, and provide the Superintendent with records, whether or not created by DCF, concerning such investigation. The Superintendent shall suspend such school employee. Such suspension shall be with pay and shall not result in the diminution or termination of benefits to such employee.

b)Not later than seventy-two (72) hours after such suspension, the Superintendent shall notify the Board of Education and the Commissioner of Education, or the Commissioner of Education's representative, of the reasons for and the conditions of the suspension. e)Regardless of the outcome of any investigation by the Commissioner of DCF and/or the police, the Superintendent and/or the Board, as appropriate, may take disciplinary action, up to and including termination of employment, in accordance with the provisions of any applicable statute, if the Superintendent's investigation produces evidence that a child has been abused or neglected by a school employee or that a student has been a victim of sexual assault by a school employee.

f)The District shall not employ a person whose employment contract is terminated or who resigned from employment following a suspension pursuant to Paragraph 8(a) of this policy and Conn. Gen. 13.The District shall not hire any person whose employment contract was previously terminated by a board of education or who resigned from such employment, if such person has been convicted of a violation of Section 17a-101a of the Connecticut General Statutes, as amended, relating to mandatory reporting, when an allegation of abuse or neglect or sexual assault has been substantiated.

14.Non-Discrimination Policy/Prohibition Against Retaliation

The Board of Education expressly prohibits retaliation against individuals reporting child abuse or neglect or the sexual assault of a student by a school employee and shall not discharge or in any manner discriminate or retaliate against any employee who, in good faith, makes a report pursuant to this policy, or testifies or is about to testify in any proceeding involving abuse or neglect or sexual assault by a school employee. Operational Definitions of Child Abuse and Neglect 4050-B

The purpose of this policy is to provide consistency for staff in defining and identifying operational definitions, evidence of abuse and/or neglect and examples of adverse impact indicators.

The following operational definitions are working definitions and examples of child abuse and neglect as used by the Connecticut DCF.

For the purposes of these operational definitions,

- A person responsible for a child's health, welfare or care means:

- the child's parent, guardian, or foster parent; an employee of a public or private residential home, agency or institution or other person legally responsible under State law for the child's welfare in a residential setting; or any staff person providing out-of-home care, including center-based child day care, family day care, or group day care.

- A person given access to a child is a person who is permitted to have personal interaction with a child by the person responsible for the child's health, welfare or care or by a person entrusted with the care of a child.
- A person entrusted with the care of a child is a person who is given access to a child by a person responsible for the health, welfare or care of a child for the purpose of providing education, child care, counseling, spiritual guidance, coaching, training, instruction, tutoring or mentoring.
- **Note:** Only a "child" as defined in the policy above may be classified as a victim of child abuse and/or neglect; only a "person responsible," "person given access," or "person entrusted" as defined above may be classified as a perpetrator of child abuse and/or neglect.
- While only a child under eighteen may be a victim of child abuse or neglect, a report under mandatory reporting laws and this policy is required if an employee of the Board of Education in the ordinary course of such person's employment or profession has reasonable cause to suspect or believe that any person, regardless of age, who is being educated by the Technical Education and Career System or a local or regional board of education, other than as part of an adult education program, is a victim of sexual assault, as set forth in this policy, and the perpetrator is a school employee.

A child may be found to have been physically abused who:

has been inflicted with physical injury or injuries other than by accidental means,

is in a condition which is the result of maltreatment such as, but not limited to, malnutrition, sexual molestation, deprivation of necessities, emotional maltreatment or cruel punishment, and/or

coercing or forcing a child to participate in, or be negligently exposed to, pornography and/or sexual behavior;

disease or condition that arises from sexual transmission; and/or

other verbal, written or physical behavior not overtly sexual but likely designed to "groom" a child for future sexual abuse.

Legal References: Federal Law 18 U.S.C. 2251 Sexual Exploitation of Children.

emotional instability;

sleep disturbances;

somatic complaints with no medical basis;

has been abandoned;

is being denied proper care and attention physically, educationally, emotionally, or morally;

to the child's well-being; and/or

has been abused.

holding the child responsible for the care of siblings or others beyond the child's ability; and/or

failure to provide reasonable and proper supervision of a child given the child's age and cognitive abilities.

Note:

- Inadequate food, clothing, or shelter or transience finding must be related to caregiver acts of omission or commission and not simply a function of poverty alone.
- Whether or not the adverse impact has to be demonstrated is a function of the child's age, cognitive abilities, verbal ability and developmental level.
- The presence of legal or illegal substances in the bodily fluids of (1) a parent or legal guardian or (2) a pregnant person shall not form the sole or primary basis for any action or proceeding by the Department. Any action or proceeding by the Department must be based on harm or risk of harm to a child and the parent or guardian's ability to provide appropriate care for the child.
- Adverse impact may not be required if the action/inaction is a single incident that demonstrates a serious disregard for the child's welfare.

Medical Neglect

Medical Neglect is the unreasonable delay, refusal or failure on the part of the person responsible for the child's health, welfare or care or the person entrusted with the child's care to seek, obtain, and/or maintain those services for necessary medical, dental or mental health care when such person knows, or should reasonably be expected to know, that such actions may have an adverse impact on the child.

Evidence of medical neglect includes, but is not limited to:

frequently missed appointments, therapies or other necessary medical and/or mental health treatments;

withholding or failing to obtain or maintain medically necessary treatment from a child with life-threatening, acute or chronic medical or mental health conditions; and/or

withholding medically indicated treatment from disabled infants with life-threatening conditions.

Note: Failure to provide the child with immunizations or routine well-child care in and of itself does not constitute medical neglect.

Educational Neglect

Except as noted below, **Educational Neglect** occurs when a school-aged child has excessive absences from school through the intent or neglect of the parent or caregiver.

Definition of School-Aged Child: Except as noted below, a school-aged child is a child five years of age and older and under 18 years of age who is not a high school graduate.
Note: Excessive absenteeism and school avoidance may be presenting symptoms of a failure to meet the physical, emotional or medical needs of a child. Careline staff shall consider these potential additional allegations at the time of referral.

Criteria:

- **For children school-aged to age 12, excessive absenteeism** may be indicative of the parent's or caregiver's failure to meet the educational needs of a student.
- **For children older than age 12, excessive absenteeism**, coupled with a failure by the parent or caregiver to engage in efforts to improve the child's attendance, may be indicative of educational neglect.
  - For children older than age 12, excessive absenteeism through the child's own intent, despite the parent's or caregiver's efforts, is not educational neglect. Rather, this is truancy, which is handled through the school district.

Child's Characteristics. In determining the criteria for excessive absenteeism, the following characteristics of the child shall be considered by the social worker:

- Age;
- Health;
- Level of functioning;
- Academic standing; and
- Dependency on parent or caregiver

Parent or Caregiver's Characteristics. In determining the criteria for excessive absenteeism, the following characteristics of the parent or caregiver shall be considered by the social worker:

- Rationale provided for the absences;

- Efforts to communicate and engage with the educational provider; and
- Failure to enroll a school-aged child in appropriate educational programming (including homeschooling)

Exceptions (in accordance with Conn. Gen. Stat. § 10-184):

1. A parent or person having control of a child may exercise the option of not sending the child to school at age five (5) or age six (6) years by personally appearing at the school district office and signing an option form. In these cases, educational neglect occurs if the parent or person having control of the child has registered the child at age five (5) or age (6) years and then does not allow the child to attend school or receive home instruction.
2. A parent or person having control of a child seventeen (17) years of age may consent to such child's withdrawal from school. Such parent or person shall personally appear at the school district office and sign a withdrawal form.

Note: Failure to sign a registration option form for such child is not in and of itself educational neglect.

Emotional Neglect

Emotional Neglect is the denial of proper care and attention, or failure to respond, to a child's affective needs by the person responsible for the child's health, welfare or care; by the person given access to the child; or by the person entrusted with the child's care which has an adverse impact on the child or seriously interferes with a child's positive emotional development.

Note: Whether or not the adverse impact has to be demonstrated is a function of the child's age, cognitive abilities, verbal ability and developmental level. Adverse impact is not required if the action/inaction is a single incident which demonstrates a serious disregard for the child's welfare.

Note: The adverse impact may result from a single event and/or from a consistent pattern of behavior and may be currently observed or predicted as supported by evidence-based practice.

Evidence of emotional neglect includes, but is not limited to, the following:

inappropriate expectations of the child given the child's developmental level;

failure to provide the child with appropriate support, attention and affection;

permitting the child to live under conditions, circumstances or associations;

injurious to the child's well-being including, but not limited to, the following:

substance abuse by caregiver, which adversely impacts the child emotionally;

psychiatric problem of the caregiver, which adversely impacts the child emotionally; and/or

exposure to family violence which adversely impacts the child emotionally.

Indicators may include, but are not limited to, the following:

depression;

withdrawal;

low self-esteem;

anxiety;

fear;

aggression/ passivity;

emotional instability;

sleep disturbances;

somatic complaints with no medical basis;

inappropriate behavior for age or development;

suicidal ideations or attempts;

extreme dependence;

academic regression; and/or

trust issues.

Moral Neglect

Moral Neglect: Exposing, allowing, or encouraging the child to engage in illegal or reprehensible activities by the person responsible for the child's health, welfare or care or person given access or person entrusted with the child's care.

Evidence of Moral Neglect includes but is not limited to:

stealing;

using drugs and/or alcohol; and/or

involving a child in the commission of a crime, directly or by caregiver indifference.

Evaluation, Termination and Non-Renewal of Athletic Coaches 4111.4

It is the policy of the Meriden Board of Education (the "Board") that an athletic coach employed by the Board shall:

1) adhere to all Board policies, rules and regulations;

2) conduct himself or herself in a professional manner;

3) serve as a role model for students; and

4)demonstrate competence and proficiency in his or her role as an athletic coach of a particular sport.

For purposes of this policy, the term "**athletic coach**" means any person holding (and required to hold) a coaching permit issued by the Connecticut State Board of Education who is hired by the Board to act as a coach for a sport season. The term "athletic coach" under this policy shall include only coaches who have direct responsibility for one or more teams (including assistant coaches if they serve as a coach to another team (*e.g.*, JV)), and the term shall not include other assistant coaches and volunteer coaches.

For purposes of this policy, the term "**athletic director**" means an individual responsible for administering the athletic program of a school or school district under the jurisdiction of the Board, and who is responsible for the supervision of athletic coaches.

The Superintendent may adopt administrative regulations in accordance with this policy.

I. Evaluations

Pursuant to state law, the Board requires that an athletic coach employed by the Board be evaluated on an annual basis by the athletic director or the coach's immediate supervisor. An athletic coach shall be provided with a copy of any such evaluation. Other assistant and volunteer coaches may be evaluated as directed by the Superintendent of Schools or his/her designee.

II. Employment of an Athletic Coach

A. Athletic coaches serve at the discretion of the Superintendent, and their employment in their specific coaching positions (*e.g.*, basketball, golf) may be non-renewed or terminated at any time, subject to the provisions set forth below which apply to athletic coaches who have served in the same coaching position for three or more consecutive school years.

B. If the Superintendent non-renews or terminates the coaching contract of an athletic coach who has served in the same coaching position for three or more consecutive school years, the Superintendent shall inform such coach of the decision within ninety (90) calendar days of the end of the athletic season covered by the contract. In such cases, the athletic coach will have an opportunity to appeal the decision of the Superintendent in accordance with the procedures set forth below in Section III.

C. Notwithstanding any rights an athletic coach may have to a hearing, nothing prohibits a Superintendent from terminating the employment contract of any athletic coach at any time, including an athletic coach who has served in the same coaching position for three or more consecutive school years:

1) for reasons of moral misconduct, insubordination, failure to comply with the Board's policies, rules and regulations; or

2) because the sport has been canceled by the Board.

D. If a decision to terminate a coach's employment is made during the athletic season, the Superintendent shall remove the coach from duty during the pendency of any hearing conducted pursuant to this policy.

III. Hearing Procedures:

An athletic coach who has served in the same coaching position for three or more consecutive school years may appeal any such non-renewal or termination decision (except if such decision was due to cancellation of the sport) to the Boardin accordance with the following procedures:

A. The athletic coach must file a written appeal with the Board within ten (10) calendar days of the Superintendent's written notification of non-renewal or termination. Such appeal shall set forth the basis on which the athletic coach seeks review of that decision, and a copy of said appeal shall be sent to the Superintendent. Failure to submit a timely written appeal shall constitute a waiver of said appeal opportunity**.**

B. Within a reasonable period of time of its receipt of a written appeal of the Superintendent's decision, the Board or a committee of the Board as designated by the Chairperson shall conduct a hearing to consider such appeal. Reasonable notice of the time and place for such hearing shall be issued to the athletic coach prior to the commencement of the hearing.

C. At the hearing, the athletic coach shall have an opportunity to present facts and evidence in support of renewal and/or reinstatement, and the Superintendent shall have the opportunity (but shall not be obligated) to present facts and evidence in support of the decision of non-renewal and/or termination. For good cause shown, the athletic coach may call a limited number of witnesses to testify if there is a clear need for witnesses to present factual information (rather than simply expressing an opinion on the skill or competence of the athletic coach). In any event, cumulative or redundant testimony shall not be allowed.

D. The decision of non-renewal or termination shall be affirmed unless the Board determines that the decision is arbitrary and capricious. The coach shall bear the burden of proof on this point.

E. Within a reasonable period of time following the hearing, the Board shall determine whether the Superintendent acted in an arbitrary and capricious manner in making his/her decision not to renew and/or to terminate, and shall provide a written decision to the coach. The decision of the Board shall be final.

1) for reasons of moral misconduct, insubordination, failure to comply with the Board's policies, rules and regulations; or

2) because the sport has been canceled.

1. If a decision to terminate a coach's employment is made during the athletic season, the Superintendent shall remove the coach from duty during the pendency of any hearing conducted pursuant to this procedure.

1. **Hearing Procedures:**

An athletic coach who has served in the same coaching position for three or more consecutive years may appeal any such non-renewal or termination decision (except if such decision was due to cancellation of the sport) to the Board of Education in accordance with the following procedures:

1. The athletic coach must file a written appeal with the Board within ten (10) calendar days of the Superintendent's written notification of non-renewal or termination. Such appeal shall set forth the basis on which the athletic coach seeks review of that decision, and a copy of said appeal shall be sent to the Superintendent. Failure to submit a timely written appeal shall constitute a waiver of said appeal opportunity**.**

1. Within a reasonable period of time of its receipt of a written appeal of the Superintendent's decision, the Board or a committee of the Board as designated by the Chairperson shall conduct a hearing to consider such appeal. Reasonable notice of the time and place for such hearing shall be issued to the athletic coach prior to the commencement of the hearing.

1. At the hearing, the athletic coach shall have an opportunity to present facts and evidence in support of renewal and/or reinstatement, and the Superintendent shall have the opportunity (but shall not be obligated) to present facts and evidence in support of the decision of non-renewal and/or termination. For good cause shown, the athletic coach may call a limited number of witnesses to testify if there is a clear need for witnesses to present factual information (rather than simply expressing an opinion on the skill or competence of the athletic coach). In any event, cumulative or redundant testimony shall not be allowed.

1. The decision of non-renewal or termination shall be affirmed unless the Board determines that the decision is arbitrary and capricious. The coach shall bear the burden of proof on this point.

1. Within a reasonable period of time following the hearing, the Board shall determine whether the Superintendent acted in an arbitrary and capricious manner in making his/her decision not to renew and/or to terminate, and shall provide a written decision to the coach. The decision of the Board shall be final.

2.The District has no knowledge of information pertaining to the applicant that would disqualify the applicant from employment with the District; and

3.The applicant affirms that the applicant is not disqualified from employment with the District.

E. The District shall not enter into a collective bargaining agreement, an employment contract, an agreement for resignation or termination, a severance agreement, or any other contract or agreement or take any action that:

1.Has the effect of suppressing or requiring the nondisclosure of information relating to a pending investigation of a report of suspected abuse or neglect or sexual misconduct by a current or former employee;

Notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, such employer shall report to the contractor any such investigation or finding, either telephonically or through written communication. If the contractor receives any information indicating such investigation or finding or otherwise has knowledge of such investigation or finding, the contractor shall, notwithstanding the provisions of subsection (g) of Conn. Gen. Stat. § 31-51i, immediately forward such information to the District, either telephonically or through written communication. If the District receives such information, it shall determine whether such employee of the contractor may work in a position involving direct student contact at any school in the District. No determination by the District that any such employee of the contractor shall not work under any such contract in any such position shall constitute a breach of such contract.

H.Any applicant/employee who knowingly provides false information or knowingly fails to disclose information required in subdivision (1) of subsection (A) of this section shall be subject to discipline by the District that may include:

1.denial of employment, or

2.termination of the contract of a certified employee, in accordance with the provisions of Conn. Gen. Stat. § 10-151, or

Stat. § 31-51i, the District shall provide, upon request by another local or regional board of education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school for the purposes of an inquiry pursuant to paragraphs I.A.2 or I.G of this policy or to the Commissioner of Education pursuant to paragraph I.B of this policy any information that the District has concerning an investigation or finding of abuse or neglect or sexual misconduct by a subject of any such inquiry.

K.Prior to offering employment to an applicant, the District shall make a documented good faith effort to contact each current and any former employer (please note the definition of "former employer" employer above, including the applicable twenty-year reporting period) of the applicant that was a local or regional board of education, governing council of a state or local charter school, interdistrict magnet school operator, or supervisory agent of a nonpublic school, or if the applicant's employment with such current or former employer caused the applicant to have contact with children in order to obtain information and recommendations that may be relevant to the applicant's fitness for employment, including whether there is a pending investigation of the applicant for allegations of abuse or neglect or sexual misconduct. Such effort, however, shall not be construed to require more than three telephonic requests made on three separate days.

L.The District shall not offer employment to any applicant who had any previous employment contract terminated by a local or regional board of education, council of a state or local charter school, interdistrict magnet school operator, or a supervisory agent of a nonpublic school, or who resigned from such employment, if the applicant (1) has been convicted of a violation of Conn. Gen. Stat. § 17a-101a, or (2) has had an allegation of abuse or neglect or sexual misconduct substantiated.

II. DCF Registry Checks

Prior to hiring any person for a position with the District, and before a student who is enrolled in a teacher preparation program in the District, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience, the District shall require such applicant or student to submit to a records check of information maintained on the Registry concerning the applicant.

The District shall request information from the Registry or its out-of-state equivalent promptly, and in any case no later than thirty (30) calendar days from the date of employment.

Registry checks will be processed according to the following procedure:

A.No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to offer employment to the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will either obtain the information from the Registry or, if the applicant's consent is required to access the information, will supply the applicant with the release form utilized by DCF, or its out-of-state equivalent when available,for obtaining information from the Registry.

B.If consent is required to access the Registry, no later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the form, the applicant must submit the signed form to DCF or its out-of-state equivalent, with a copy to the Superintendent or the Superintendent's designee. Failure of the applicant to submit the signed form to DCF or its out-of-state equivalent within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.

C.Upon receipt of Registry or out-of-state registry information indicating previously undisclosed information concerning abuse or neglect investigations concerning the successful job applicant/employee, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the Registry check and will provide an opportunity for the affected applicant/employee to respond to the results of the Registry check.

D.If notification is received by the Superintendent or the Superintendent's designee that that the applicant is listed as a perpetrator of abuse or neglect on the Registry, the Superintendent or the Superintendent's designee shall provide the applicant with an opportunity to be heard regarding the results of the Registry check. If warranted by the results of the Registry check and any additional information provided by the applicant, the Superintendent or the Superintendent's designee shall revoke the offer of employment and/or terminate the applicant's employment if the applicant has already commenced working for the District.

III. Criminal Records Check Procedure

A.Each person hired by the District shall be required to submit to state and national criminal records checks within thirty (30) calendar days from the date of employment. Each student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, shall be required to submit to state and national criminal records checks within sixty (60) calendar days from the date such student begins to perform such student teaching experience. Record checks will be processed according to the following procedure:*

1.No later than five (5) calendar days after the Superintendent or the Superintendent's designee has notified a job applicant of a decision to hire the applicant, or as soon thereafter as practicable, the Superintendent or the Superintendent's designee will provide the applicant with a packet containing all documents and materials necessary for the applicant to be fingerprinted by the Meriden Public Schools Office for Human Capital and School Leadership. This packet shall also contain all documents and materials necessary for the police department to submit the completed fingerprints to the State Police Bureau of Identification for the processing of state and national criminal records checks. The Superintendent or the Superintendent's designee will also provide each applicant with the following notifications before the applicant obtains the applicant's fingerprints: (1) Agency Privacy Requirements for Noncriminal Justice Applicants; (2) Noncriminal Justice Applicant's Privacy Rights; (3) and the Federal Bureau of Investigation, United States Department of Justice Privacy Act Statement.

2.No later than ten (10) calendar days after the Superintendent or the Superintendent's designee has provided the successful job applicant with the fingerprinting packet, the applicant must arrange to be fingerprinted by the Meriden Public School Office for Human Capital and School Leadership. Failure of the applicant to have the applicant's fingerprints taken within such ten-day period, without good cause, will be grounds for the withdrawal of the offer of employment.

3.Any person for whom criminal records checks are required to be performed pursuant to this policy must pay all fees and costs associated with the fingerprinting process and/or the submission or processing of the requests for criminal records checks. Fees and costs associated with the fingerprinting process and the submission and process of requests are waived for student teachers, in accordance with state law.

4.Upon receipt of a criminal records check indicating a previously undisclosed conviction, the Superintendent or the Superintendent's designee will notify the affected applicant/employee in writing of the results of the record check and will provide an opportunity for the affected applicant/employee to respond to the results of the criminal records check. The affected applicant/employee may notify the Superintendent or the Superintendent's designee in writing within five (5) calendar days that the affected applicant/employee will challenge such individual's criminal history records check. Upon written notification to the Superintendent or the Superintendent's designee of such a challenge, the affected applicant/employee shall have ten (10) calendar days to provide the Superintendent or the Superintendent's designee with necessary documentation regarding the affected applicant/employee's record challenge. The Superintendent or the Superintendent's designee may grant an extension to the preceding ten-day period during which the affected applicant/employee may provide such documentation for good cause shown.

5.Decisions regarding the effect of a conviction upon an applicant/employee, whether disclosed or undisclosed by the applicant/employee, will be made on a case-by-case basis. Notwithstanding the foregoing, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning criminal convictions or pending criminal charges, shall be grounds for disqualification from consideration for employment or discharge from employment.

6.Notwithstanding anything in paragraph III.A.5 of this policy, above, no decision to deny employment or withdraw an offer of employment on the basis of an applicant/employee's criminal history record shall be made without affording the applicant/employee the opportunities set forth in paragraph III.A.4 of this policy, above.

B.**Criminal Records Check for Substitute Teachers:**

A substitute teacher who is hired by the District must submit to state and national criminal history records checks according to the procedures outlined above, subject to the following:

1.If the state and national criminal history records checks for a substitute teacher have been completed within one year prior to the date the District hired the substitute teacher, and if the substitute teacher arranged for such prior criminal history records checks to be forwarded to the Superintendent or the Superintendent's designee, then the substitute teacher will not be required to submit to another criminal history records check at the time of such hire.

2.If a substitute teacher submitted to state and national criminal history records checks upon being hired by the District, then the substitute teacher will not be required to submit to another criminal history records check so long as the substitute teacher is continuously employed by the District, that is, employed for at least one day of each school year, by the District, provided a substitute teacher is subjected to such checks at least once every five years.

IV. Sex Offender Registry Checks

District personnel shall cross-reference the Connecticut Department of Public Safety's sexual offender registry prior to hiring any new employee and before a student who is enrolled in a teacher preparation program, as defined in section 10-10a of the Connecticut General Statutes, and completing a student teaching experience with the District, begins such student teaching experience. Registration as a sexual offender constitutes grounds for denial of employment opportunities and opportunities to perform student teaching experiences in the District.

V. Credit Checks

The District may also ask a prospective employee for a credit report for employment for certain District positions, where the District's receipt of a credit report is substantially related to the employee's potential job. "Substantially related to the current or potential job" is defined to mean "the information contained in the credit report is related to the position for which the employee or prospective employee who is the subject of the report is being evaluated because of the position." Prior to asking for a credit report, the District will determine whether the position falls within one of the categories as described in this paragraph. The position must: (1) be a managerial position which involves setting the direction or control of the District; (2) involve access to employees' personal or financial information; (3) involve a fiduciary responsibility to the District, including, but not limited to, the authority to issue payments, collect debts, transfer money or enter into contracts; (4) provide an expense account or District debit or credit card; or (5) involve access to the District's nonfinancial assets valued at two thousand five dollars or more.

When a credit report will be requested as part of the employment process, the District will provide written notification to the prospective employee regarding the use of credit checks. That notification must be provided in a document separate from the employment application. The notification must state that the District may use the information in the consumer credit report to make decisions related to the individual's employment. The District will obtain written, signed consent before performing the credit or other background checks.

If the District intends to take an action adverse to a potential employee based on the results of a credit report, the District must provide the prospective employee with a copy of the report on which the District relied in making the adverse decision, as well as a copy of "A Summary of Your Rights Under the Fair Credit Reporting Act," which should be provided by the company that provides the results of the credit check. The District will give the potential employee a reasonable amount of time, i.e., at least five days, to dispute any of the information in the report prior to making any final employment decision.

If an adverse action is taken based on information from the report, the District will notify the prospective employee either orally, in writing or via electronic means that the adverse action was taken based on the information in the consumer report. That notice must include the name, address and phone number of the consumer reporting company that supplied the credit report; a statement that the company that supplied the report did not make the decision to take the unfavorable action and cannot provide specific reasons for the District's actions; and a notice of the person's right to dispute the accuracy or completeness of any information the consumer reporting company furnished, and to get an additional free report from the company if the person asks for it within sixty (60) calendar days.

VI. Notice of Conviction

If, at any time, the District receives notice of a conviction of a crime by a person holding a certificate, authorization or permit issued by the State Board of Education, the District shall send such notice to the State Board of Education. In complying with this requirement, the District shall not disseminate the results of any national criminal history records check.

VII. School Nurses

School nurses or nurse practitioners appointed by, or under contract with, the District shall also be required to submit to a criminal history records check in accordance with the procedures outlined above.

VIII. Personal Online Accounts

For purposes of this policy, "personal online account" means any online account that is used by an employee or applicant exclusively for personal purposes and unrelated to any business purpose of the District, including, but not limited to, electronic mail, social media and retail-based Internet web sites. "Personal online account" does not include any account created, maintained, used or accessed by an employee or applicant for a business purpose of the District.

A. During the course of an employment check, the District may not:

1. request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing a personal online account;
2.request or require that an applicant authenticate or access a personal online account in the presence of District personnel; or
3.require that an applicant invite a supervisor employed by the District or accept an invitation from a supervisor employed by the District to join a group affiliated with any personal online account of the applicant.

B.The District may request or require that an applicant provide the District with a user name and password, password or any other authentication means for accessing:
1. any account or service provided by District or by virtue of the applicant's employment relationship with the District or that the applicant uses for the District's business purposes, or
2. any electronic communications device supplied or paid for, in whole or in part, by the District.

C.In accordance with applicable law, the District maintains the right to require an applicant to allow the District to access the applicant's personal online account, without disclosing the user name and password, password or other authentication means for accessing such personal online account, for the purpose of:
1.conducting an investigation for the purpose of ensuring compliance with applicable state or federal laws, regulatory requirements or prohibitions against work-related employee misconduct based on the receipt of specific information about activity on an applicant's personal online account; or
2. conducting an investigation based on the receipt of specific information about an applicant's unauthorized transfer of the District's proprietary information, confidential information or financial data to or from a personal online account operated by an applicant or other source.

IX. Policy Inapplicable to Certain Individuals

This policy shall not apply to:
A.A student employed by the District who attends a District school.
B.A person employed by the District as a teacher for a noncredit adult class or adult education activity, as defined in Conn. Gen. Stat. § 10-67, who is not required to hold a teaching certificate pursuant to Conn. Gen. Stat. § 10-145b for such position.

X. Falsification of Records

Notwithstanding any other provisions of this policy, the falsification or omission of any information on a job application or in a job interview, including but not limited to information concerning abuse or neglect investigations or pending criminal applications, shall be grounds for disqualification from consideration for employment or discharge from employment.

Alcohol and Drug Use 4118.232

PURPOSE

The purpose of this policy is to establish a workplace that is free of the effects of alcohol and second-hand smoke, and free from drug abuse. By accomplishing this purpose, the Board of Education (the “Board”) also seeks to promote a safe, healthy working environment for all employees and to reduce absenteeism, tardiness, and other job performance problems that may be caused by alcohol and/or drug abuse. This policy is adopted in accordance with state law and the Drug Free Workplace Act.

STATEMENT OF POLICY

Employees shall not be involved with the unlawful manufacture, distribution, possession, or use of an illegal drug, a controlled substance, or alcohol, and shall not be under the influence of such substances while on school property or while conducting Board business on or off school property. Any employee who discovers illegal drugs, a controlled substance, or alcohol on school property shall notify the Superintendent or the Superintendent’s designee who shall investigate the matter.

An employee must report any conviction under a criminal drug statute for violations occurring on or off school property while on Board business to the Superintendent or his/her designee within five (5) days after the conviction. The Board will notify any agency awarding a grant to the Board of such conviction within ten (10) days thereafter.

Employees shall only use prescription drugs on school property, or during the conduct of Board business, that have been prescribed to them by a licensed medical practitioner, and such drugs shall be used only as prescribed. However, in accordance with Conn. Gen. Stat. § 21a-408a through 408q, the Board specifically prohibits the palliative use of marijuana on school property, at a school-sponsored activity, or during the conduct of Board business, and specifically prohibits employees from being under the influence of intoxicating substances, including marijuana used for palliative purposes, during work hours.

The Board prohibits smoking, including smoking using an electronic nicotine delivery system (e.g., e-cigarettes), electronic cannabis delivery system, or vapor product, and the use of tobacco products in any area of a school building, on school property, including property owned, leased, contracted for, or utilized by the Board, or at any school-sponsored activity.

While Connecticut law allows for the legal use of marijuana under certain circumstances, because marijuana use is still prohibited under federal law, the use of marijuana at work, or outside of work if it impairs an employee's ability to perform their job, constitutes a violation of this policy.

Violations of this policy may result in disciplinary action, up to and including possible termination of employment.

Employees who feel they have developed an addiction to, dependence upon, or other problem with alcohol or drugs are encouraged to seek assistance. Certain benefits for alcoholism or drug addiction are provided under the Board's group medical insurance plan. An employee may be given an opportunity to participate in a rehabilitation program that requires absence from work for bona fide treatment. Such absence may be charged to the employee's accrued and unused sick leave, subject to the provisions of the employee's collective bargaining agreement and/or any applicable Board policies and regulations.

1. Category II: Personnel who participate in activities without blood exposure but exposure may occur in an emergency
2. Category III: Personnel performing tasks that do not entail predictable or unpredictable exposure to blood

1. School nurses or nurse practitioners assisting and treating injured students may come in contact with blood and other bodily fluids (Category I).
2. School staff, including physical education teachers, OT, PT, general aides, technical instructors, athletic coaches and principals may come in contact with blood and other bodily fluids in the performance of their jobs in treating injured students (Category I).
3. Special education teachers and aides in self-contained and behavioral programs, nursing program students, and custodial staff, and other staff who substitute for them, may have to clean up after injured persons where they may come in contact with blood and other bodily fluids (Category I).

Connecticut Paid Sick Leave Law Notice 4500

In compliance with Conn. Gen. Stat. §§ 31-57r *et seq.*

Overview
Effective January 1, 2025, Connecticut General Statutes §§31-57r *et seq.* (the "Paid Sick Leave Law") requires that the Meriden Board of Education (the "Board") provide up to 40 hours of paid sick leave per benefit year to qualifying employees in accordance with statutory requirements ("PSL"). An employer that offers any other paid leave (such as sick, personal, or vacation leave), or combination of other paid leave, including unlimited paid time off (collectively, "Board Paid Leave"), that may be used for the same purposes and under the same conditions as those described in the law, and accrued at a rate equal to or greater than that required by law, shall be deemed in compliance the Paid Sick Leave Law. As such, in each

benefit year, the Board shall permit employees to use ***their first 40 hours*** of Board Paid Leave in accordance with Paid Sick Leave Law requirements. The use of such Board Paid Leave for the first 40 hours of the benefit year shall run concurrently with PSL and satisfy the Board's obligations under the Paid Sick Leave Law. ***Any Board Paid Leave accrued and used in excess of 40 hours in a benefit year shall be subject to all applicable collective bargaining, contract, or Board policy requirements.***

Covered Employees

All Board employees are covered by the Paid Sick Leave law, except seasonal employees, defined as those employees who work 120 days or less in any year.

Accrual and Use

Employees shall accrue PSL at a rate of 1 hour for every 30 hours worked, up to 40 hours per benefit year, or faster if permitted to accrue Board Paid Leave by an applicable collective bargaining agreement, contract, or Board policy. For employees of the Board, the benefit year is the period of ***July 1 - June 30***.

Employees shall be entitled to use their accrued PSL 120 calendar days after their date of hire, or earlier if permitted to use Board Paid Leave by an applicable collective bargaining agreement, contract, or Board policy. Employees may use accrued PSL in one-hour increments.

Employees may carry over up to 40 unused accrued hours of PSL to the following benefit year, unless an employee's Board Paid Leave, as provided for by collective bargaining agreement or contract, is frontloaded and available for the employee's immediate use at the beginning of the benefit year. If permitted to be carried over, employees are entitled to use only 40 hours of PSL in any benefit year.

Permitted Uses

Employees shall be permitted to use up to 40 hours per benefit year of PSL for the following reasons:

- An employee's own illness, injury, or health condition; the medical diagnosis, care, or treatment of the employee's mental or physical illness, injury, or health condition; preventative medical care for an employee's mental or physical health; or a mental health wellness day.
- An employee's family member's illness, injury, or health condition; the medical diagnosis, care, or treatment of the family member's mental or physical illness, injury, or health condition; or preventative medical care for an employee's family member's mental or physical health.
- For closure by order of a public official, due to a public health emergency, of the Board's place of business or a family member's school or place of care.
- For determination by a health authority having jurisdiction, the Board, a family member's employer, or a health care provider that the employee or the employee's family member poses a risk to the health of others due to such individual's exposure to a communicable disease, whether or not the employee or family member contracted the communicable illness.
- Where an employee or an employee's family member is a victim of family violence or sexual assault, provided the employee is not the alleged perpetrator of such family violence or sexual assault, for medical care or psychological or other counseling for physical or psychological injury or disability; obtaining services from a victim's services organization; relocating due to such family violence or sexual assault; or participating in any civil or criminal proceedings related to or resulting from such family violence or sexual assault.

For purposes of PSL provided in accordance with the Paid Sick Leave law:

- "Family member" is defined as a spouse, sibling, child, grandparent, grandchild, or parent of an employee, or an individual related to the employee by blood or by an affinity whose close association to the employee shows to be equivalent to those family relationships.
- "Mental health wellness day" means a day during which an employee attends to the employee's emotional and psychological well-being in lieu of attending a regularly scheduled shift.

Separation

Employees shall not be entitled to payment of unused accrued PSL upon termination of employment.

Notice and Documentation

An employee is not required to provide advance notice before using PSL. However, when reporting an absence for which the employee will use PSL, employees should do their best to provide notice as soon as practicable. For the use of Board Paid Leave, employees must follow the notice provisions of the applicable collective bargaining agreement, contract and/or Board policy.

The Board shall not require an employee to provide documentation that PSL is being taken for one of the purposes permitted by the Paid Sick Leave law. However, employees may be asked to confirm that the use of PSL conforms to one of the statutory reasons set forth above for the use of PSL. For the use of Board Paid Leave, employees must follow the documentation provisions of the applicable collective bargaining agreement, contract and/or Board policy.

The federal Family and Medical Leave Act ("FMLA") and Connecticut Family and Medical Leave Act ("CT FMLA") are separate laws, and the Board and eligible employees have certain rights and obligations under those laws. If leave is taken for a potentially FMLA- and/or CT FMLA-qualifying reason, and PSL will run concurrently, the requirements of the federal and/or CT FMLA must be adhered to by both the employee and employer.

Retaliation and Discrimination Prohibited

The Board prohibits retaliation or discrimination against any employee for requesting or using PSL in accordance with the law; requesting or using Board Paid Leave in accordance with applicable contract or policy provisions; and /or filing a complaint with the Connecticut Department of Labor alleging that the Board has violated the Paid Sick Leave law.

Complaints

An employee aggrieved by an alleged violation of the Paid Sick Leave Law may file a complaint with the Labor Commissioner. More information is available on the Connecticut Department of Labor website at https://portal.ct.gov/dol/knowledge-base/articles/wage-and-workplace-standards/paid-sick-leave?language=en_US.

Notice Requirements

This notice shall be provided to new employees at the time of hiring.The Board shall also display a poster, in English and Spanish, in a conspicuous place accessible to employees.

Recordkeeping

The Board shall track and keep records, for three years, of hours worked and PSL accrued and used for every employee.

Family and Medical Leave 4600

FAMILY AND MEDICAL LEAVE

PURPOSE

The purpose of this policy is to apprise employees of their rights and establish guidelines for leaves taken by employees of the Meriden Board of Education (the "Board"), under the federal Family and Medical Leave Act of 1993 ("Federal FMLA") and/or the Connecticut Family and Medical Leave Act ("CT FMLA") and applicable Connecticut state law. This policy is not intended to, and does not, recite every provision of applicable law and regulations.

ELIGIBILITY

An employee who has been employed by the Board for at least twelve (12) months, and who has worked at least 1,250 actual work hours during the twelve (12) months immediately preceding the start of a leave, is eligible for unpaid leave under the Federal FMLA. A full-time instructional employee meets the 1,250 hours of service requirement unless the Board can demonstrate that such employee did not meet the 1,250 hours of service requirement in the 12-month period prior to the start of leave.

An employee working for the Board in a position that does not require a professional certification under Chapter 166 of the Connecticut General Statutes (*i.e.,* a "noncertified employee") is eligible for unpaid leave under the CT FMLA if such employee has been employed by the Board for at least three (3) months in the twelve (12) months immediately preceding the start of such leave.

DEFINITIONS

Genetic information: For purposes of this policy, "genetic information" includes an individual's family medical history, an individual's or family member's genetic tests, and/or the fact that an individual or an individual's family member sought or received genetic services or participated in clinical research which includes genetic services. "Genetic information" includes

genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member utilizing assistive reproductive technology.

Instructional employee: For purposes of this policy, an "instructional employee" is defined as a teacher or other employee of the Board who is employed principally in an instructional capacity and whose principal function is to teach and instruct students in a class, a small group, or an individual setting, and includes athletic coaches, driving instructors, and special education assistants such as signers for the hearing impaired. The term does not include teacher assistants or aides who do not have as their principal function actual teaching or instructing, nor auxiliary personnel such as counselors, psychologists, curriculum specialists, cafeteria workers, maintenance workers, bus drivers, or other primarily non-instructional employees. If an employee is an instructional employee, special rules governing the administration of Federal FMLA leave may apply.

Noncertified employee: For purposes of this policy, "noncertified employee" means an employee employed by the Board in a position that does not require a professional certification under Chapter 166 of the Connecticut General Statutes. This noncertified employee designation is relevant solely to CT FMLA eligibility and does not affect an employee's rights or obligations under the Federal FMLA.

REASONS FOR LEAVE

(a) Federal FMLA

Leaves under the Federal FMLA may be taken for the following reasons:

incapacity due to pregnancy, prenatal medical care, or child birth;
to care for the employee's newborn child;
the placement of a child with the employee by adoption or for foster care;
to care for the employee's spouse, child, or parent who has a serious health condition;
to care for the employee's own serious health condition that renders the employee unable to perform the functions of the employee's position;
to care for a covered injured or ill servicemember (see below – Length of Leave – for further information); or
to address a qualifying exigency arising out of an employee's spouse, child, or parent's military service, including one or more of the following reasons (note – more detailed information on the following categories is available from **the Office for Human Capital and School Leadership**:

short-notice deployment;
military events and related activities;
childcare and school activities;
financial and legal arrangements;
counseling;
rest and recuperation;
post-deployment activities;
parental care leave for military member's parent who is incapable of self-care and care is necessitated by the military member's covered active duty; and/or
additional activities that arise out of the active duty or call to active duty status of a covered military member, provided that the Board and the employee agree that such leave qualifies as an exigency, and agree to both the timing and the duration of such leave.

(b)CT FMLA

Leaves under the CT FMLA may be taken for the following reasons:

upon the birth of the employee's newborn child, and to care for the newborn child;
upon the placement of a child with the employee for adoption or foster care, and to care for the newly placed child;
to care for the employee's family member, if such family member has a serious health condition;
because of the employee's own serious health condition, including any period of incapacity due to pregnancy or for prenatal care, that renders the employee unable to perform the functions of the employee's position;
in order to serve as an organ or bone marrow donor;
to care for an injured or ill servicemember who is the employee's spouse, parent, child or next of kin (see below – Length of Leave – for further information); or
to address a qualifying exigency arising out of the fact that the spouse, child, or parent of the employee is on active duty, or has been notified of an impending call or order to active duty, in the armed forces.

For purposes of determining whether an employee has a qualifying reason for leave under the CT FMLA, "family member" is defined as a spouse, sibling, child, grandparent, grandchild or parent, or an individual related to the employee by blood or affinity whose close association the employee shows to be the equivalent of those family relationships.

LENGTH OF LEAVE

a. Basic FMLA Leave Entitlement

1. Leaves under the Federal FMLA: If a leave is requested for a Federal FMLA-qualifying reason, an employee may take up to a total of twelve (12) weeks unpaid family or medical leave in the 12-month entitlement period.
2. Leaves under CT FMLA: If a leave is requested for a CT FMLA-qualifying reason, an eligible employee may take up to a total of twelve (12) weeks unpaid family or medical leave in the 12-month entitlement period, except that the employee may take up to two (2) additional workweeks of leave during such twelve (12)-month period for a serious health condition resulting in incapacitation that occurs during pregnancy. These additional two (2) weeks are only available during pregnancy.

The 12-month entitlement period for family or medical leave is measured on the basis of a "rolling" 12-month period measured backward from the date an employee uses any FMLA leave.

An employee may be entitled to leave under the Federal FMLA and/or CT FMLA. To the extent an employee is eligible for and qualifies for leave under both laws, the employee's Federal FMLA and CT FMLA leave will run concurrently.

b. Leave to Care for an Injured or Ill Servicemember

In addition to the reasons for leave listed above, an eligible employee may take up to twenty-six (26) workweeks of Federal FMLA and/or CT FMLA leave during a 12-month period to care for a covered servicemember and/or covered veteran who is the employee's spouse, parent, child or next of kin, and who incurred a serious injury or illness in the line of duty and while on active duty in the Armed Forces or had a preexisting injury or illness prior to beginning active duty that was aggravated by service in the line of duty in the Armed Forces. When combined with any other type of Federal FMLA or CT FMLA-qualifying leave, total leave time may not exceed twenty-six (26) weeks in a single twelve (12) month period. Standard leave procedures described below apply to all requests for and designation of leave for this purpose. *However*, in the case of leave to care for a servicemember with a serious injury or illness, the 12-month period begins on the day such leave actually commences.

TYPES OF LEAVE AND CONDITIONS

(a)Full-Time, Intermittent and Reduced Schedule Leave

Full-time leave excuses the employee from work for a continuous period of time. Full-time unpaid leave may be taken for any of the reasons permitted by the Federal FMLA and/or CT FMLA.

Intermittent leave means leave taken due to a single qualifying reason in separate periods of time rather than for one continuous period of time. Examples of intermittent leave include: leave taken one day per week over a period of a few months or leave taken on an occasional/as-needed basis for medical appointments.

Reduced schedule leave is leave that reduces the employee's usual number of work hours per day for some period of time. For example, an employee may request half-time work for a number of weeks so the employee can assist in the care of a seriously ill parent.

Intermittent or reduced schedule Federal FMLA and/or CT FMLA leave may be taken (a) when medically necessary for an employee's or covered family member's serious health condition, or for a covered servicemember's serious illness or injury, and (b) the need for leave can be best accommodated through an intermittent or reduced schedule leave. In addition, Federal FMLA and/or CT FMLA leave may be taken intermittently or on a reduced schedule basis (1) due to a qualifying exigency, or (2) to effectuate the placement of a child for adoption or foster care before the placement of the child in the home.

If foreseeable intermittent or reduced schedule leave is medically required based upon planned medical treatment of the employee or a covered family member or a covered servicemember, including during a period of recovery from an employee's or covered family member's serious health condition or a serious injury or illness of a covered servicemember, the Board may, in its sole discretion, temporarily transfer the employee to another job with equivalent pay and benefits that better accommodates the type of leave requested.

Under the Federal FMLA, special arrangements may be required of an instructional employee who needs to take intermittent or reduced-schedule leave which will involve absence for more than twenty (20) percent of the work days in the period over which the leave will extend (for example, more than five days over a five-week period),if the leave is to care for a covered family member with a serious health condition, to care for a covered servicemember with a serious injury or illness, or for the employee's own serious health condition,

which is foreseeable based on planned medical treatment. In such situations, the Board may require the instructional employee to transfer temporarily to another job or take leave for a particular duration, not to exceed the duration of the planned medical treatment.

(b)Both Spouses Working for the Same Employer

If both spouses are eligible employees of the Board and request Federal FMLA and/or CT FMLA leave for the birth, placement of a child by adoption or for foster care, or to care for a parent (or family member, for purposes of CT FMLA leave) with a serious health condition, they only will be entitled to a maximum combined total leave equal to twelve (12) weeks in the 12-month entitlement period. If either spouse (or both) uses a portion of the total 12-week entitlement for one of the purposes in the preceding sentence, each is entitled to the difference between the amount the employee has taken individually and the 12 weeks for Federal and/or CT FMLA leave for other qualifying reasons in the 12-month entitlement period.

(c)Leave Taken by Instructional Employees Near the End of an Academic Term

If Federal FMLA leave taken by an instructional employee for any reason begins more than five (5) weeks before the end of an academic term, the Board may require that instructional employee to continue the leave until the end of the term if the leave will last at least three (3) weeks and the instructional employee would return to work during the three-week period before the end of the term.

If the instructional employee begins Federal FMLA leave during the five-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than two (2) weeks and the instructional employee would return to work during the two-week period before the end of the term.

If the instructional employee begins Federal FMLA leave during the three-week period preceding the end of an academic term for a reason other than the instructional employee's own serious health condition, the Board may require the instructional employee to continue taking leave until the end of the term if the leave will last more than five (5) working days.

REQUESTS FOR LEAVE

(a) Foreseeable Leave

An employee must notify the Office for Human Capital and School Leadership of the need for a family or medical leave at least thirty (30) days before the leave is to begin if the need for the leave is foreseeable based on the expected birth of the employee's child, placement of a child with the employee for adoption or foster care, planned medical treatment for the employee's or a covered family member's serious health condition, or the planned medical treatment for a serious injury or illness of a covered servicemember. If 30 days-notice is not practicable, then the employee must provide notice as soon as practicable under the circumstances, usually the same day or the next business day after the employee becomes aware of the need for Federal FMLA and/or CT FMLA leave.

(b)Unforeseeable Leave

When the employee's need for leave is not foreseeable, an employee must provide notice as practicable under the circumstances.

SCHEDULING PLANNED MEDICAL TREATMENT

When planning medical treatment for foreseeable Federal FMLA and/or CT FMLA leave, an employee must consult with the Office for Human Capital and School Leadershipand make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations, subject to the approval of the health care provider. Similarly, if an employee needs leave intermittently or on a reduced leave schedule for planned medical treatment, the employee must make a reasonable effort to schedule the treatment so as not to disrupt unduly the Board's operations. Ordinarily, the employee should consult with the Office for Human Capital and School Leadershipprior to scheduling the treatment in order to work out a treatment schedule that best suits the needs of the Board and the employee. The Board and the employee shall attempt to work out a schedule for leave that meets the employee's needs without unduly disrupting the Board's operations, subject to the approval of the health care provider as to any modification of the treatment schedule.

REQUIRED CERTIFICATIONS/DOCUMENTATION

For leaves taken for any Federal FMLA or CT FMLA-qualifying reason, an employee must submit completed certification form(s) supporting the need for leave. The appropriate form(s) will be provided to the employee. The employee must submit a complete and sufficient certification form(s) as required within fifteen (15) calendar days of receiving the request for the completed certification. If it is not practicable for the employee to provide the completed form by the due date despite the employee's diligent, good faith efforts, the employee must inform the Office for Human Capital and School Leadershipof the reason(s) for delay and what efforts the employee undertook to obtain the required certification. Federal FMLA- and/or CT FMLA-protected leave may be delayed or denied, in accordance with applicable law, if the employee does not provide a complete and sufficient certification as required. Depending on the reason for leave, an employee may be required to submit medical certification from the employee's health care provider, medical certification the employee's family member's health care provider, and/or other documentation (e.g., to establish a family relationship, military active duty orders, etc.). In certain circumstances and under certain conditions, employees may also be required to obtain second or third medical opinions and/or recertifications, in accordance with applicable law.

If an employee takes leave for the employee's own serious health condition (except on an intermittent or reduced-schedule basis), prior to returning to work the employee must provide a medical fitness-for-duty certification that the employee is able to resume work and the health condition that created the need for the leave no longer renders the employee unable to perform the essential functions of the job. This certification must be submitted to the Office for Human Capital and School Leadership. If the employee is unable to perform one or more of the essential functions of the employee's position, the Board will determine whether the employee is eligible for additional Federal FMLA and/or CT FMLA leave (if the eligible for such leave and such leave has not been exhausted) or whether an accommodation is appropriate, in accordance with the Americans with Disabilities Act.

In connection with the Board's request for medical information, employees must be aware that the Genetic Information Nondiscrimination Act of 2008 ("GINA") prohibits employers and other entities covered by Title II of GINA from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, the Board requests that employees not provide any genetic information when responding to a request for medical information.

USE OF PAID LEAVE

Paid leave, which has been accrued in accordance with applicable law, the relevant collective bargaining agreement (if any), and/or Board policy ("PTO") will be substituted for any unpaid portions of family or medical leave taken for any reason that is also a qualifying reason for using such accrued paid leave. In such instance, the employee's accrued paid leave and Federal FMLA and/or CT FMLA-qualifying leave will run concurrently. The employee must satisfy any procedural requirements applicable to the use of paid leave, but only in connection with the receipt of such payment. An employee who is approved for CT FMLA leave may retain up to two weeks of their accrued paid time off that would otherwise be required to run concurrently with CT FMLA leave.

Where a noncertified employee's accrued paid leave is not substituted for the entire period of unpaid leave for a qualifying reason under the CT FMLA and/or Connecticut law regarding leave for victims of family violence and sexual assault, the employee may apply for and be provided with compensation through the Paid Family and Medical Leave Insurance Program ("CT Paid Leave") for all or part of any unpaid leave, provided the employee qualifies for payments under the program. Noncertified employees may apply to the Connecticut Paid Medical and Family Leave Insurance Authority ("Authority') for partial income replacement benefits when they need leave for (1) any of the reasons that qualify for CT FMLA; and/or (2) if an employee is a victim of family violence or sexual assault, to seek medical care or psychological or other counseling for physical or psychological injury or disability for the victim; to obtain services from a victim services organization on behalf of the victim; to relocate due to such family violence or sexual assault; or to participate in any civil or criminal proceeding related to or resulting from such family violence or sexual assault. Eligible employees shall apply directly to the Authority, which is responsible for determining an employee's eligibility for CT Paid Leave benefits and the amount of such benefit. The Board will provide the Authority with all requested information regarding an employee's application for CT Paid Leave, in accordance with applicable law.

In addition, in cases involving absences due to a Workers' Compensation injury that also qualifies as an FMLA serious health condition, and if the employee (and the employee's collective bargaining agent, if applicable) and the Board agree to do so, the Board will apply the employee's available accrued paid leave in increments as a supplement to the Workers' Compensation weekly benefit in an appropriate amount so that the employee can maintain the employee's regular weekly income level.

MEDICAL INSURANCE AND OTHER BENEFITS

During family or medical leaves approved in accordance with the Federal FMLA, the Board will continue to pay its portion of medical insurance premiums for the period of unpaid Federal FMLA. The employee must continue to pay the employee's share of the premium, and failure to do so may result in loss of coverage. If the employee does not return to work after expiration of the leave, the employee will be required to reimburse the Board for payment of medical insurance premiums during the family or medical leave, unless the employee does not return because of a serious health condition or circumstances beyond the employee's control.

During a Federal FMLA and/or CT FMLA leave, an employee shall not accrue such as seniority, pension benefits, or sick or vacation leave**,** unless otherwise required by any applicable collective bargaining agreement or Board policy.However, unused employment benefits accrued by the employee up to the day on which the leave begins will not be lost upon return to work. Leave taken under this policy does not constitute an absence under the Board's attendance policy, if any.

REINSTATEMENT

Except for circumstances unrelated to the taking of a family or medical leave pursuant to this policy, and unless an exception applies, an employee who returns to work following the expiration of a family or medical leave is entitled to return to the job such employee held prior to the leave or to an equivalent position with equivalent pay and benefits.
